## Highlights from Letters to Power 88

- I just wanted to take a second and let you know how much you and your station minister to me on a daily basis. I moved to Daphne and started going back to church. I found Power 88 through members of my church and my radio hasn't changed channels since. It is a big help to me to maintain my focus on my walk with God to have inspiring music to listen to on a regular basis.
- We visited Orange Beach for a few days over the Labor Day weekend. I just wanted to let you know that your station is by far the best Christian station ever! It was such a joy to be able to listen to your station. Keep up the great work!
- I love this radio station. I have only been in AL for a short time and this is the only station I listen to. I have a radio here by my computer that is tuned to your station. I listen to my radio when I'm cleaning house and in the car every time I go somewhere. The music is great, powerful and up lifting. Nothing like it used to be around when I was growing up!
