Lake Wales Community,

One positive case of COVID-19 was identified at the Lake Wales Charter School Central Office this past week. As a result, we have 3 staff who will have to be quarantined for 14 days. LWCS Central Office is diligently following CDC guidelines and working in consultation with the Florida Department of Health in Polk County as we work to mitigate the spread of this virus. All areas of the campus that were affected were deep cleaned on Sunday per CDC recommended guidance.

Thank you for your ongoing patience as we all work through this situation.

Sincerely,

Dr. Julio Acevedo
