

Northside Track and Field Discipline Policy

Parents, The discipline policy of the Northside Track Program is a mirror image of the Houston County Board of Education's Student Handbook. Please go online to the Houston County Board of Education website www.hcbe.net, then go to the Northside High School webpage, click on Student Handbook and read the terms and conditions of the entire Student Handbook. The Head Boys and Girls Track Coach also has the discretion of removing an athlete from the team if it is felt the athlete is a hindrance to the programs good order. All questions will follow the proper chain of command (Coach to Athletic Director to Principal).
