## *The Sycamore* *Summary*

We made it! It is March - Happy March. The month when spring comes! It came in like a lamb, too. The weather this weekend was beautiful. March means a new theme in our classroom. I like this one because it makes me think of summer- Ocean. Our art projects this month will be saved for the student expo in May. March is also our assessment time. Miss Quiring and I will be giving the students assessments to see where they are at. Our conferences will take place on Tuesday, March 31 and Thursday, April 2. The new snack calendar has been sent home. We also have Spring Spirit week this week and your child is invited to dress up. Tuesday is superhero day and Thursday is Neon day. Our letter this week is U (we are getting to the end!) and Caden has snack next Tuesday.

Tuesday - Today is Jude's snack day. We are making a fish today. It is "Superhero" dress up day.

Thursday - Violet will bring snack today. We will be working on our alphabet pages for center time. Today is "Neon Day".

### Bible -

We are finishing up the stories in our Miracles at Sea unit. This week we will look at having faith and trusting in Jesus. The first story is "A Great Catch of Fish." The disciples had to trust Jesus when He told them to throw their nets in. Even though they had fished all night. The second story is "Peter Walks on the Sea." Peter was safe as long as he kept his eyes on Jesus. When he saw what was happening around him, he started to sink. How often does this happen to us? We need to teach our kids to stay focused on Jesus.

Matthew 14:33b - The disciples said, "You are the Son of God."
