- 1** Does your child have any sign of illness above?
- 2** Were you in close contact (within 6 feet for a total of 15 minutes over a 24-hour period) with anyone confirmed with COVID-19?
- 3** If the answer is **YES** to any of the questions, **DO NOT** send your student to school. Instead, begin isolation of your child and contact your healthcare provider. Have you been tested for COVID-19? Only a positive test or provider diagnosis can confirm if someone has a current infection.
