

School Incident Report FY20

Each year, we are required to submit record of school incidents that have occurred for the entire school year to the state department of education. In summary, our overall school incident data for 2020 shows a district-wide decline in the number of school incidents.

- W.O. Lance data reports indicated a decrease of 204 incidents
- Lanett Junior High data reports indicated an increase of 71 incidents
- Lanett High School data reports indicated a decrease of 77 incidents
