HCHS Sharks Member Signs with Southwest Minnesota University

HOUSTON COUNTY, GA - Houston County High School senior Jacob Stevens signed his letter of intent with the Southwest Minnesota State University (SMSU) on March 18, 2020, at his home. He will join the SMSU Mustangs adaptive athletics program as a basketball player.

Stevens has been a member of the Houston County Sharks since he was a junior. At graduation this May, he will have played wheelchair basketball, football and handball for the Sharks varsity team. During his tenure, the team won five state championships and several state-level awards.

The UA Adaptive Athletics Program offers students the chance to compete nationwide and internationally against world-class athletes and provides access to training, practice facilities and campus staff. Established in 1975, it is the largest collegiate based program in the nation. The university has six globally competitive teams, six national championships and 38 Paralympians.

Houston County High School is located at 920 Highway 96 in Warner Robins. Dr. Doug Rizer serves as principal.
