

Dear Parents and Community,

As Principal of Miller County High School, it gives me great pleasure to welcome everyone back for another exciting year. We are very excited to have students back in our classrooms and hallways. It is our mission to provide engaging and challenging educational opportunities for all of our students. We are working very hard to achieve this mission in the safest environment possible. At Miller County High School we have great teachers and support staff who spend hours planning and creating classroom activities to engage our students in learning. This year, like no other before, we have spent countless hours developing a plan to ensure our school is clean and sanitized to the best of our ability. Throughout the summer and as we start school we will be taking every available precaution within our means to protect our students from the realities of Covid-19.

As we focus on student achievement, we will provide a variety of academic and educational experiences that promote student growth and learning throughout the year. We believe that all students should graduate from high school prepared for career, life, post-secondary education, and to be responsible citizens. Our shared vision is for all Miller County Pirates to uphold the highest ethical standards and moral values and believe they can achieve excellence in their school and community.

I am so very grateful to serve as your Principal at Miller County High School. It is truly a pleasure to be part of a community where parents, teachers and students care for each other and strive to build positive relationships that support academic and social growth. Please feel free to contact me at 229-758-4131 or at bo.adams@miller.k12.ga.us.

Welcome back and together we will make it another great year!

Sincerely,

Dr. Bo Adams

MCHS Principal
