## OUR MISSION

Our learning communities will practice *The Tiger Way* through powerful relationships, positive attitude, and best effort, reflecting that greatness is a process.

## OUR VISION

To produce high school ready students.

## OUR BELIEFS

The Tiger Way clearly defines the specific behaviors and results we want from each of our beliefs. The behaviors outlined are essential to how we engage students in the classroom and how we operate our school. Our goal is to create an educational environment where everyone consistently engages in behaviors that produce exceptional outcomes.

- **Powerful Relationships** -Teamwork and relationships make everything work

Achieving our mission requires teamwork and strong relationships in a collaborative environment. Collaboration requires a mindset of “we, not me.” Great things will happen when we work together and value relationships. Here are three key behaviors that will cultivate understanding and produce a welcoming school environment:

1. **Invest the time to listen and care**
2. **Recognize and understand differences**
3. **Communicate with purpose**

The outcome these behaviors accomplish is an improved understanding of each other and a great place to learn and work.

- **Attitude and Effort** - Be positive and give your best effort

Events happen around us beyond our control, we are always in control of our attitude, effort, and response. Effort does not need to be perfect or unbroken; it needs to be constant and unrelenting. Our attitude is contagious. Finding positive means to approach life and accept challenges will create improved opportunities. Here are three key behaviors that will help us develop into the best versions of ourselves:

1. **Be a positive influence**
2. **Focus on solutions**
3. **Do what is necessary**

The outcome these behaviors achieve is a step closer to becoming the best version of ourselves.

- **Greatness is a Process** - Take steps to grow; growth is what matters

The heart of our culture is a passion for growth; the growth of our students and the growth of our staff. We relentlessly pursue excellence every day. Our passion for growth is grounded in three behaviors:

1. **Be coachable**
2. **Recognize and celebrate excellence**
3. **Embrace Change**

The outcome we achieve by operating this way is that our students and staff are equipped with a growth mindset and skills preparing everyone for the future.

## Dear Parents and Students,

Welcome to the 2021-2022 school year at Thomson Middle School. First of all, I'd like to thank you for allowing me the opportunity to serve you and your student as the principal of the best middle school anywhere. I welcome calls, emails and visits from parents as we encourage your continued support and participation in every aspect of your student's education. My primary goal is to create a safe learning atmosphere true to our vision statement: to produce high school ready students.

The purpose of this handbook is to inform you of school and system policies and procedures. I encourage students and parents to become familiar with the guidelines. Student expectations, as outlined in the Student Handbook, are essential for the wellbeing of the school community and for the health and safety of all. We believe **greatness is a process**. As adults and leaders, we understand that making mistakes are a part of growing, but even so, we must still have high expectations of our students. We will strive to make every behavioral incident an opportunity for positive learning and growth. We believe everyone is always in control of their **attitude and effort**. Any student who does not come to school to learn, and disrupts the educational process, will be addressed in accordance with the handbook. Should a contingency arise that is not explicitly covered in the handbook, we reserve the right to make decisions based on the best interests of our students.

We believe in building **powerful relationships** throughout the building. As a part of growing, students are offered many opportunities to participate in extra-curricular and co-curricular programs at Thomson Middle School. These programs, including being the only Title I whole school STEM certified middle school in the state, are second to none in the advancement of academic support and camaraderie among students. Students who invest time and effort in a worthwhile cause reap benefits and memories that go with them long after they leave. We invest in our students today so they will continue to invest in the world tomorrow.

My family and I are happy to continue to be a part of this community. I consider it a privilege to work with students, staff, parents, and community members to provide a quality education to all students in a safe environment. Please let me know if I can be of assistance in any way. Together we will continue to make Thomson the best middle school anywhere!

Dr. R. Scott Wynn, Principal

# DETAILED ARRIVAL AND DISMISSAL TO AND FROM SCHOOL

## STUDENT MORNING ARRIVAL TO SCHOOL

Students who are car riders should be dropped off and picked up only in front of the gym unless other arrangements have been made through the office. Students should not be dropped off at the school and/or at the front doors of the school between 6:30 A.M. and 7:00 A.M. Students that are dropped off before 7:00 A.M. will have to wait outside of the gym lobby until the school opens. Students entering the front doors of the building should be accompanied by a parent or guardian.

**Upon entering through the gym lobby or from the bus ramp,** students will pick up breakfast and report to the cafeteria and/or to their first period. Students who wish to eat a hot breakfast must arrive before 7:20 A.M. All students must be in their first period by 7:30 or they are considered tardy. Students who are tardy must sign in at the front office.

## STUDENT AFTERNOON DISMISSAL

All car riders are to be picked up in the designated parent pick up area. Students will not be allowed to exit the front of the building or walk around to the front of the building to be picked up by parents. If you do not wish to wait in the parent pick up line, you will have to park your vehicle and come to the designated parent pick up and make a request for your student. You must have your school provided parent pick up card when making your request. Any students present after 2:45 P.M. should be with their group, club, teacher, or they should wait for their ride in the front lobby. All students must be picked up no later than 3:20 unless they are attending a teacher-sponsored activity after school. Students left on campus after 3:30 P.M. who are not attending an official school activity, are unsupervised.

If you are picking up your student from school who usually rides a bus, it needs to be done before 2:00 p.m. For safety reasons, we cannot allow students to be taken off the bus or ride another bus without proper authorization. This also includes students who are car riders in the afternoon.

**Silent dismissal system will be used to dismiss bus riders, car riders and students who walk to school. Students will not be allowed to exit the front doors during regular dismissal process.**

## **ATTENDANCE:**

Research shows that there is a direct correlation between student achievement and school attendance. It is, therefore, most important that students be in school unless there are legitimate reasons why they must be absent. No other absence from class will be considered excused. Students on field trips or officially sanctioned instructional trips organized by the school will be counted present.

## **TARDIES TO SCHOOL**

Students are tardy if they are not in first period by 7:30 a.m. Student tardiness disrupts instruction and learning for the tardy student and for his/her classmates. Tardiness can also affect grades and establish bad habits and should be kept to a minimum.

- Students are to be in first period each morning before announcements at 7:30am.
- Students arriving after 7:30 must report to the office for a tardy slip.
  
- Excused tardies include: personal illness, medical/dental appointment, illness in the immediate family, death in the family, religious holiday, and court order.

## **POSSIBLE ACTIONS FOR EXCESSIVE TARDINESS TO SCHOOL**

- Excessive **unexcused tardies** will be handled with disciplinary actions following parent notification and /or conference. Possible consequences include but are not limited to the following:
  - Lunch Reflection
  - Learning Lunch
  - ISS
  - Tardy/Truancy Contract
  - Social Worker Referral

Parents should not plan prolonged vacations during the school year, as these absences will be considered unexcused. Additionally, students will miss class assignments, which may affect their grade.

## **CHANGING SCHOOLS/CHANGING STUDENT INFORMATION**

Students moving to a new location outside of the Thomson Middle School attendance area must notify the main office at least one week in advance. The student should bring a note from a parent or guardian stating where he or she will be attending school. The student should be prepared to return all textbooks and school materials and, if applicable, pay any necessary fines for lost or damaged materials. A clearance sheet must be signed by each of the student's teachers and the media specialist, and returned to the main office prior to leaving. If they are going to another school within the county, they must visit Central Registration in order to register. If you change address or phone numbers, or if you go on vacation and leave your student under the temporary care of someone other than his/her legal guardian, please notify the main office.

## **ILLNESS OR INJURY**

The Medical Technician's office is located in Thomson's main office. It is important to inform the office of any special health matters concerning a student. In case of illness or injury, students must get a pass from a teacher to go to the nurse's office. The Med Tech or other office staff will determine whether a student needs to go home and contact the parent or guardian or a person listed on the student's Emergency Information Card. In case of a serious accident or injury on campus, the paramedics will be contacted to administer medical aid to students and parents or guardians will be notified immediately.

## **EARLY DISMISSALS OR RETURNING DURING THE SCHOOL DAY**

Thomson Middle School is a closed campus throughout the entire school day. Students leaving for appointments must be checked out in the front office by a parent, guardian or designee in the front office. Students returning from an appointment must first check in with the attendance office. *A student must be present at least half the school day to receive credit for attendance. The half-day mark is 11:00 a.m. A student is considered absent if he/she leaves before 11:00 a.m., or arrives after 11:00 a.m.*

No early dismissals will be allowed after 2:00 pm.

We will only release your student to persons listed in Infinite Campus. If you need to amend this information, please contact front office personnel. **A picture ID will be required in order to release a student.** During tornado warnings or active code yellow or code red situations, students will not be released until it is deemed safe to do so. Please see page 32 of the Middle School Handbook for more information.

## **LUNCH AND VISITATION**

### **Lunch**

Based on The **Community Eligibility Provision (CEP)**, students at Thomson Middle School will receive two well-prepared meals for breakfast and lunch free of charge. **Commercially prepared food cannot be taken to the cafeteria nor can persons outside of the school deliver it to a student on campus.** Breakfast is served from 7:00 am – 7:25 am.

**\* Until further notice, parents or visitors will not be allowed to eat lunch at the school**

## **MAKE-UP WORK FOR LONG-TERM EXCUSED ABSENCES**

After an **excused** absence of two days, the parent or guardian may request assignments missed during that time. Requests received in the main office by 8:00 A.M. will be available for pick up by 3:00 P.M. the same day. Parents are advised to phone to confirm that there is specific work to be picked up before coming to school. If there is work to be picked up, please be sure that it is picked up by 3:30 P.M.

The students must make up assignments for schoolwork missed during an excused absence. It is the student's responsibility to find out about missed assignments from the teacher. The student must then make sure it is completed within the time allotted. If work that is missed cannot be made up, the teacher will decide a suitable alternative assignment. Students have a minimum of **FIVE** days to make up any missed work due to an excused absence. Make up work not submitted at the end of the allowed time may receive a grade of zero.

## **TRUANCY**

The Board of Education of the Houston County School District recognizes the value of regular attendance in enabling students to profit from the school program. To meet special needs of students with chronic school attendance and/or behavioral problems, the Houston County School District declares that habitual truants are willfully defying the valid authority of school administrators and shall be subject to disciplinary action. This action will include a truancy contract, and/or a court referral.

# CAMPUS POLICIES

## CLEAN CAMPUS

Take pride in your campus. The appearance of our school is important to all of us. It is the responsibility of each student to keep the campus clean.

## GUIDANCE COUNSELING SERVICES

The Counseling Department at Thomson Middle School provides both academic and personal counseling for students in grades six through eight. Our counselors have an open-door policy for students, parents, and teachers. The department works in partnership with the school psychologist and other outside agencies. Students may be referred for guidance counseling by other students, parents, and teachers. Student Support Teams are conducted for students who are having academic or personal difficulties. For students who are in need of more in-depth counseling, the department can provide recommendations and community referrals to the parent of the student as needed.

## EMERGENCY INFORMATION CARDS

Every student **MUST** have emergency information on file in the main office. If parents cannot be reached in emergency situations such as illness, injury or disaster, Thomson Middle School will notify the emergency contacts on the emergency card.

## MEDIA CENTER

The Media Center is open every day of the school year from 7:10 A.M. until 3:00 P.M. The general collection of books may be checked out for a period of two weeks. Reference books, magazines, and reserve books may be checked-out after 2:00 P.M. and must be returned the following morning before first period. Students are charged fines for overdue books. The fines for the general collection are \$.10 per day. Fines for reference books, magazines, and reserve books are \$.25 per day. Fines for overdue books do not exceed \$5.00. When a book is lost, the student must pay for the book. The replacement cost of the book will be charged to the student. When a book is found, the student will receive a refund of the cost, less \$2.50 (for any overdue fines and processing of lost book). Refunds are made during the school year in which the book is lost. Fines and overdue notices are given to students by first period teachers on a regular basis. The student and/or parent is responsible for settling these financial obligations.

## CELL PHONES

Use of personal telecommunications devices, including mobile telephones will not be permitted to display, turn on, or be used as a telecommunications device during the school day. If students bring devices to school, **they will place them in their lockers at the beginning of the school day and only retrieve them at dismissal time.**

## LOST AND FOUND

Students must assume sole responsibility for loss or damage to any personal property left in classrooms, P.E. lockers, or on campus. Thomson Middle School will try to help protect personal possessions, but the school will not be responsible for lost or damaged personal property. Students are encouraged to check the lost and found located in the main office for missing items. If belongings are not recovered, immediately advise the office. The best way to assure items are returned is to have your name in permanent ink on all articles of clothing, notebooks, and other personal property. If you find something that does not belong to you, please turn it in. If you keep something you find it is considered stolen. Students who have witnessed a theft or know a student is in possession of someone else's belongings should inform a teacher, counselor, or an administrator.

## OFFICE

**All students entering the office must have a pass from their teacher.**

Thomson's office is an important place of business in which all are welcome. The office staff is happy to answer questions about school procedures or policies. Students coming to any office during class must have a pass or call slip. Parents are requested to refrain from attempting to deliver messages or personal items to students via the office staff. **Please note that all items will be delivered at the end of the day prior to dismissal.** The office is available for the following services.

1. To request a conference with the principal, assistant principals, or counselors.
2. To receive permission to use the phone.
3. To call home when ill.
4. To withdraw from school.
5. To get permission for early dismissal.

## STUDENT SUPPLIES /TEXTBOOKS

Students need to have his/her notebook, paper, pencils, and pens at all times. All students need a notebook to organize their schoolwork. Covers are required on all textbooks. Students may purchase a book cover in the media center. Students are responsible for the condition of books assigned to them. Textbooks and materials must be returned at the end of the year or when withdrawing from school. Any student who damages textbooks or any other school materials, or fails to return these materials will be charged replacement costs. Fines and bills are paid in the media center. Unpaid fines may result in the withholding of report cards.

## FIELD TRIPS

Field trips are part of the middle school experience for all students. Student academic standing and conduct determines participation in any activities and will be at the discretion of the administration. \* ***Students who have been assigned to ISS multiple times will have their field trip privileges revoked. In addition, students who are failing will also forfeit their field trip privileges. Refunds minus the field trip deposit will be made to the students' parents that are not able to attend the trip due to discipline reasons.*** \*

## GRADING SYSTEM

At Thomson Middle School, we use a weighted grading system in all classes to determine averages. The specific weighted scale is determined within each content and grade and is listed below for all academic classes. Academic classes must take a minimum of 8 - 12 grades each nine weeks and PE/Connections must take a minimum of 10 grades each nine weeks. Students in grades 6-8 will receive numerical grades on their report cards. The grading scale listed below will be followed:

We encourage parents to attend awards programs to share in the recognition of student accomplishments.

## AFTER SCHOOL STUDENT ACTIVITIES

A number of after school activities will be planned for the enjoyment and social development of students. Thomson Middle School believes that these activities constitute an integral part of the total development of young people. These activities will include club projects, class projects, social events, athletic and other school related functions. Transportation must be provided by the parent/guardian. **Any student that is unable to be picked up within 30 minutes following any after school activity will be unable to attend the next after school event. Final decisions and judgments concerning appropriate dress are made at the discretion of the administration. Students who violate dress code will be asked to call their parents for a change of clothing; if parents cannot bring appropriate clothing, the student will be placed in the In-School Suspension (ISS) classroom for the day.**

## THE MIDDLE SCHOOL PROGRAM

Middle School students are undergoing many changes -- physical changes, social changes, emotional changes, and mental changes. The middle school recognizes these changes and provides a curriculum and a climate for students to move more easily from the elementary school to the high school. The subjects students learn are divided into two categories -- basic academic subjects and connections subjects.

The basic academic subjects are **language arts, mathematics, social studies, and science**. These subjects are taught in an academic block of time by a team of teachers. Students are assigned to a team for the school year. The teachers know the students and their capabilities and provide learning activities to meet the needs of the students on the team.

Students also take two connection classes each semester. The exploratory connection classes give students an introduction to subjects they may wish to take in high school, help students begin looking at careers, or assist students in developing life and learning skills. Students will explore **career technical education, agricultural education, fine arts, personal learning skills, and physical education**.

### ARRIVAL/DEPARTURE

Students should not arrive on campus more than 30 minutes before the first bell and should leave campus no later than 30 minutes after the last bell unless participating in a school-supervised activity approved by the principal or designee of the principal.

### ATTENDANCE

#### Compulsory Attendance

Houston County School authorities, in cooperation with other county agencies, shall enforce the Georgia Compulsory Attendance Law, O.C.G.A. §20-2-690.1, Mandatory Attendance, which requires that every parent, guardian, or other person residing in the state having control of any school age child or children between the ages of 6 and 16 enroll and send such child or children to school. Further, all children enrolled for 20 school days or more in the public schools of Houston County prior to their SIXTH birthday shall become subject to all provisions of the law. All students missing more than 5 unexcused days in Georgia are declared as truant by law.

All Houston County students are affected by and fall under the provisions of our attendance protocol, which is stated as follows;

#### Level I

Three (3) unexcused absences

School staff will contact parents and document the contact. Contacts may consist of e-mail, phone call, or teacher notification form.

#### Level II

Five (5) unexcused absences

School staff will notify parents of the truancy and request a conference with the parents to sign an Attendance Contract.

#### Level III

Eight (8) unexcused absences

School staff notifies Social Services Department; Social Services provides data to the court for judicial proceedings to begin.

Any parent, guardian, or other person residing in Georgia having control or charge of a child or children and violate GA Code Section O.C.G.A. §20-2-690.1 shall be guilty of a misdemeanor and, upon conviction thereof, shall be subject to a fine of not less than \$25 and not greater than \$100, imprisonment not to exceed 30 days, community service, or any combinations of such penalties, at the discretion of the court having jurisdiction.

### Excused and Unexcused Absences

Absence from school is classified as either excused or unexcused. Reasons established by the Georgia Board of Education as excused absences are set forth in this policy. Students may be temporarily excused from school and allowed to make up work when:

1. Personally ill and when attendance in school would endanger their health or the health of others. Excessive/extended absences due to illness must be justified by a physician's statement.
2. A serious illness or death occurs in their immediate family
3. Mandated by order of governmental agencies, including preinduction physical examinations for service in the armed forces, or by a court order;
4. Celebrating religious holidays observed by their faith;

**NOTE: An excused absence does not mean the student is given credit for being at school. It means that the student may make up work missed during the excused absence.**

Students should present a written excuse within five (5) days following an absence whether excused or unexcused. Failure to do so will result in the absence(s) remaining unexcused. Excessive/extended absences due to illness must be justified by a physician's statement.

1. The date the excuse is written
2. The date of the absence
3. Reason for the absence
4. Signature of parent or guardian

#### Upon returning to school, students should make up work missed within five (5) school days.

It is expected that each student will attend school regularly and be on time each day to class. Students who are absent from school may not participate in any extracurricular activity the day or night of the absence.

At the discretion of the principal, a statement from a physician may be required to validate extended or excessive absences.

Students shall be counted present when they are serving as pages of the Georgia General Assembly.

For reporting daily attendance, a student must attend for at least one-half of the instructional day before the student can be counted as present. At the middle school level, attendance shall be counted on a class-by-class daily basis for granting credit in each class.

1. When a pupil is denied bus transportation due to misconduct, his absence from school is not excused. The parent or guardian shall be expected to provide transportation during the time the pupil is excluded from the bus.
2. No pupil shall be allowed to be absent from school during the regular session to take private music, drawing, dancing, or other lessons.
3. A pupil shall not be absent from school or from any class or other required school function during school hours, other than for illness or other providential cause, without written permission of the teacher, principal, or other duly authorized school official, nor shall any student encourage, urge, or counsel other students to violate this rule.
4. According to law, students under 16 years of age must be admitted at any time, but with the understanding that credit is not automatic.

#### Military Family Deployment - Absences for Special Consideration

The Houston County School District is supportive of our military families, especially during the difficult time of deployment. In an effort to ease the burden of our students who have parents deploying, Houston County Schools will allow up to a total of 10 days of excused absences each academic year to allow families time during the deployment cycle. Absences may be planned to best fit your individual family needs. Excused absences will be allowed for the following situations:

- Pre-deployment, the day before deployment - one day;
- Day of departure - one day;
- Reunion, post-deployment - one day;
- R&R breakup to three days; or
- Travel to visit an injured parent - up to five days.

Other special circumstances will be considered; however, 10 days is the maximum that will be allowed per school year. Students will be responsible for their homework and will need to make up any missed tests or class reports upon return to the classroom. Parents are asked to collaborate with the classroom teacher and their children to ensure their students stay up-to-date on class material.

The form for special consideration for absences for military deployment can be obtained from the school's office. The form must be given to the principal for approval. The principal will send the form to Human Resources for approval. The parents will receive a confirmation letter in the mail.

#### Tardiness/Early Dismissal

Instruction begins promptly at 7:30 a.m., therefore a student is considered tardy after that time. A student who is tardy must report to the office to check in. A parent is expected to accompany the student and to sign him/her in. If a school bus arrives after 7:30 a.m., students will not be considered tardy; and, no tardy permit is necessary.

Many people do not realize that missed instructional minutes add up quickly. For example, if your child arrives a mere 10 minutes late each day, they miss 50 minutes of instructional time every week. During a 36 week school year, they could miss nearly 30 HOURS OF INSTRUCTION! If they're 20 minutes late, it would be 60 hours, and so on. These instructional minutes are especially important to the achievement of our students and the success of our schools. An excessive number of lost instructional minutes could prevent your child from being promoted to the next grade level. For the benefit of ALL students, we may implement the following procedures with relation to unexcused tardies and unexcused early dismissals:

- 5 Unexcused Tardies/Early Dismissals - Parent Contact
- 10 Unexcused Tardies/Early Dismissals - Excessive Tardy/Early Dismissal Notification Letter
- 15 Unexcused Tardies/Early Dismissals - Attendance Contract Meeting Scheduled with parents and administration
- 20 Unexcused Tardies/Early Dismissals - Referral to the HCBOE Social Service Department, discussion of retention of child in the current grade, and assignment to Mandatory Make up Time
- 25 Unexcused Tardies/Early Dismissals - Parent Meeting scheduled with the Attendance Panel at the Central Office in Perry, GA

#### **ATTENDANCE ZONES**

The Houston County School District has approved student attendance zones. If the natural parent lives in Houston County, the student must attend the school in which the residence of the natural parent is located regardless of whether the student lives with the parent. If the parents are divorced/separated, the child shall be required to attend the school in the attendance zone in which the **primary custodial parent resides. A complete list of enrollment restrictions and enrollment determinations is included in policies JBC and JBCCA.**

If the school personnel determine that a parent or guardian has changed addresses without informing the school or used false information to enroll a child in a school other than the school zone in which the parent/guardian resides, the child shall be withdrawn not later than the last grading period. School administrators may request proof of residence at any time that it may be necessary to verify that a parent resides in the school zone. If it is determined that a student must enroll in another Houston County school, the parent will be directed to report to Central Registration to complete a change of address packet to transfer to the new school. Students must reside within the county in order to be enrolled in a Houston County school. Students are not allowed to attend Houston County schools if they reside in another county.

## Unsafe School Choice Option

If a student is a victim of a Violent Criminal Offense (as stated in OCGA 160-4-8-16/JBCCA Policy) on campus or at a school sponsored activity, he/she may request a transfer to a school which has not been identified as being on a school improvement, corrective action, or restructuring plan. This request must be made within ten (10) school days of the commission of the Violent Criminal Offense.

### BALLOONS/GIFTS AT SCHOOL

Students will not be allowed to accept flowers, balloons, or other gifts sent to the school during the school day.

### BEGINNING AND ENDING SCHOOL TIMES

School begins at **7:30 a.m.**

School ends at **2:30 p.m.**

Any student arriving after 7:30 a.m. will be considered tardy to school. Leaving school before 2:30 p.m. will be considered an early dismissal.

### BICYCLES

Students who ride bicycles to school should park and lock them in the designated area immediately upon arrival. Students should not secure more than one bike with one lock. (Do not lock two bikes together). The school is at no time responsible for damage or loss of a bicycle. Students who ride bicycles to school should obey state laws for their safety.

### BOOK BAGS

A student's book bag may be placed in the locker upon arrival at school. It must be small enough to fit in the locker.

### BRIDGE BILL

**BUILDING RESOURCEFUL INDIVIDUALS TO DEVELOP GEORGIA'S ECONOMY** Georgia General Assembly HB 400: May 20, 2010. The purpose of the BRIDGE Bill is to provide a process for the development of an individual graduation plan for each student in Georgia. It allows students and parents to work together to plan for the future.

"Beginning with the 2010-2011 school year, students in the sixth, seventh, and eighth grades shall be provided counseling, advisement, career awareness, career interest inventories, and information to assist them in evaluating their academic skills and career interests. Before the end of the second semester of the eighth grade, students shall develop an individual graduation plan in consultation with their parents, guardians, or individuals appointed by the parents or guardians to serve as their designee. High school students shall be provided guidance, advisement, and counseling annually that will enable them to successfully complete their individual graduation plans, preparing them for a seamless transition to postsecondary study, further training, or employment." Advisement is a major part of education and career planning for ALL students. The BRIDGE Bill mandates advisement in grades 6 through 12. Effective advisement is measured by the utilization of the selected Career Information System (CIS) in all middle and high schools. In Houston County, Georgia Student Finance Commission's GACollege411 has been utilized. Their new site, GAFutures.org, is being launched for the 2015-2016 school year.

### GA Futures

[www.gafutures.org](http://www.gafutures.org)

The above site provides tools that will assist students with educational and career planning. Students and parents can gather educational and career-related information upon which they can make better and more informed decisions about their futures.

### BUS CONDUCT

The parents or guardians of students have the responsibility of supervision until such time as the student boards the bus in the morning and after the student leaves the bus at the end of the day. The school has the authority to discipline a student for any misconduct occurring on the way to or from school. Once the student boards the bus, the

student is expected to conduct him/herself on the bus in a manner consistent with the established standards for classroom behavior.

Students who do not conduct themselves appropriately on a bus shall be brought to the attention of the administration by the bus driver. A student who cannot conduct himself/herself properly on a bus may have their riding privileges suspended. In such a case, the parent or guardian of the student involved shall be responsible for transporting the student to and from school. In cases of bus vandalism, the student and parent/guardian shall be held responsible.

Students are prohibited from any and all acts of physical violence, bullying, physical assault of other persons on the school bus, verbal assault of other persons on the school bus, disrespectful conduct toward the school bus driver or other persons on the school bus, and any other unruly behavior.

Students are prohibited from using any electronic devices during the operation of a school bus in a manner that might interfere with the school bus communications equipment or the school bus driver's operation of the school bus.

Students are also prohibited from using mirrors, lasers, flash cameras, or any other lights or reflective devices in a manner that might interfere with the school bus driver's operation of the school bus. (See Policy JCD - Student)

#### Minor Offenses

1. Failure to remain seated
2. Refusing to obey driver/monitor
3. Throwing objects on the bus
4. Improper/dangerous conduct boarding or exiting the bus
5. Inappropriate physical contact (Minor)
6. Excessive noise
7. Unsafe items
8. Eating/drinking on the bus
9. Discarding trash
10. Extending objects outside window
11. Other disruptive behavior

#### Major Offenses

Although there may be no other bus report, consequences for major offenses begin at the third report level and proceed as reports occur.

1. Disrespect of driver/monitor/administrator
2. Fighting
3. Severe vandalism - restitution required
4. Possession of tobacco
5. Inappropriate physical contact (Major)
6. Throwing objects off the bus

The student will be suspended from the bus for the remainder of the year for behaviors such as possession of weapons or drugs or severe disrespect of the driver. When a student is denied bus transportation due to misconduct, his/her absence from school is not excused. The parent/guardian shall be expected to provide transportation during the time the student is excluded from the bus.

#### Consequences for Infractions of Bus Conduct

Transportation by bus to and from school each day that is provided by the Houston County school district is a privilege. Students who choose to behave in an unruly manner and refuse to follow the rules sacrifice the safety of other students and the driver. Discipline for student misbehavior while riding the bus is progressive and ranges from parent/driver conferences to having the privilege of transportation provided by a Houston County school district taken

away completely. Ultimately, all discipline procedures are at the discretion of the principal and depends on the severity of the offense.

**First Sign of Student Misbehavior:** The bus driver will attempt to make contact with the parent to ask for help with the student. The driver will document the specific elements of the incident and document the conversation with the parent.

**First Bus Report:** A conference may be held with the school official, parent, and driver. A contract may be executed between student, parents, and school.

**Second Bus Report:** One (1) day off bus.

**Third Bus Report:** Three (3) days off bus.

**Fourth Bus Report:** Five (5) days off bus.

**Fifth Bus Report:** Seven (7) days off bus.

**Sixth Bus Report:** Ten (10) days off bus.

**Seventh Bus Report:** Off bus the remainder of the year.

\* This is a suggested progressive discipline system that comes with principal discretion.

Please be aware that a student may be suspended from the bus for 1-10 days on the first report if the principal determines the incident warrants suspension.

### **B.Y.O.D. (Bring Your Own Device) Procedures**

As new technologies continue to change the world in which we live, they also provide many new and positive educational benefits for classroom instruction. During the 2013-2014 school year, Bring Your Own Device, (BYOD) was piloted at all Houston County Elementary, Middle and High Schools. Each school will notify parents of the program parameters at their schools. Students who do not have their own device to bring to school will not be penalized. Please do not feel obligated to purchase a device for your child. In cases where all students do not have a device students will be encouraged to work collaboratively while allowing the owner of the device to be the one to manipulate and handle the device.

#### *Definition of "Device"*

For purposes of B.Y.O.D. (Bring Your Own Device), "device" means a privately owned wireless and/or portable electronic hand held equipment that includes, but is not limited to, existing and emerging mobile communication systems and smart technologies, portable internet devices, hand held entertainment systems or portable information technology systems that can be used for word processing, wireless Internet access, image capture/recording, sound recording and information transmitting/receiving/storing, etc.

#### *Internet*

Only the internet gateway (HCBE\_BYOD) provided by the school should be accessed while on campus. Personal internet connective devices such as but not limited to cell phones/cell network adapters should not be used to access outside internet sources at any time.

#### *Security and Damages*

Responsibility to keep the device secure rests with the individual owner. **The Houston County School District, its staff and its employees, are not liable for any device stolen or damaged on campus.** If a device is stolen or damaged, it will be handled through the administrative office similar to other personal artifacts that are impacted in similar situations. It is recommended that covers (decals) and other custom touches are used to physically identify your device from others. Additionally, protective cases for technology are encouraged.

## B.Y.O.D. Student Agreement

Students and parents/guardians participating in B.Y.O.D. must adhere to the Student Code of Conduct, as well as all Board policies, particularly the Internet Acceptable Use (Policy IFBG) and Internet Safety (Policy IFBGE).

**Students and parents acknowledge that the school district has the right to collect and examine any device that is suspected of violating school rules and/or procedures.**

### CENTRAL REGISTRATION

Parents of any student(s) new to Houston County Schools must complete the enrollment process at the Central Registration site located at 410 Bear Country Boulevard, Warner Robins, Georgia. Enrollment process at Central Registration is done by appointment. To schedule an appointment visit the Houston County website [www.hcbe.net](http://www.hcbe.net).

- Select the Parents tab
- Scroll to Central Registration

### Change of Address

Any parent that moves (changes address) within Houston County during the school year must go to Central Registration. The parent must show two proofs of address for the new residence (**one must be a mortgage statement or lease agreement**). A service disconnection notice from the previous address is also required.

### COMMUNICATION SYSTEM/SCHOOL MESSENGER

The Houston County School District has an automated, emergency communication system, School Messenger. It may be used in the event of emergencies such as school closings, evacuations, natural disasters, off-campus events, school lock-downs, or other major incidents. It also provides schools an opportunity to notify parents of school events, items of importance and upcoming important dates. School Messenger delivers a recorded message to parents by telephone. This calling system enables the delivery of a fast, accurate message and is a valuable addition to our school safety program. **Please ensure that your child's school has an accurate telephone number/email on file.**

Interpretation services are provided as practicable for languages other than English at no charge to parents.

### CONCUSSION MANAGEMENT

Any student-athlete that exhibits symptoms of a concussion should be removed from the game/activity or practice immediately. No student-athlete may return to activity after an apparent head injury or concussion, regardless of how mild it seems or how quickly symptoms clear, without medical clearance. Close observation of the student-athlete should continue for several hours.

The Return to Play Act of 2013 code 20-2-2-324.1 became effective on January 1, 2014. The Houston County School District addresses this in policy JGFGB. Students who will participate in extracurricular athletic activities will receive information concerning this policy. Parents and students will be required to provide documentation that they have read and understand this policy in order to participate. You may obtain this information from your school's athletic director and/or Dragonfly.

### DISCIPLINE

The school system reserves the right to punish behavior, which is subversive to good order and discipline in the schools, even though such behavior is not specified in the Student Code of Conduct or in the Student Handbook.

### Commission of a Crime

1. Any student who commits a crime on school grounds or during a school activity whether on campus or not shall be subject to discipline including expulsion. Any student who commits a crime away from the school grounds and not during a school activity may be subject to discipline including expulsion if it is determined by the school system that the student's presence at school could endanger the lives or property of others or if the student's presence at school would be disruptive to the orderly conduct of school. (Policy JCD)
2. Pursuant to O.C.G.A. 20-2-1184, administrators are required to report students committing certain prohibited acts to the Superintendent of Schools or designee, police authority, and the district attorney.

#### Other Suspension/Expulsion Information

1. Students under suspension (home or long-term) or expulsion are not allowed to make up any academic work at home or at school unless they are in attendance at the WIN Academy.
2. Students under short term home suspension will be allowed to make up work upon returning to school. It is the responsibility of the student to coordinate with each teacher within five (5) days of returning to school regarding makeup work.
3. School administrators may not delay suspension or expulsion so students may participate in extracurricular activities.
4. School administrators and/or designated representatives **possess the authority to conduct a reasonable search of students, their possessions, their lockers, and their automobiles when on school property or on property being used by the school.**
5. In some instances, students who have been suspended who are enrolled at the alternative school may return to the home school at the end of a semester upon recommendation by the alternative school principal and approval by the home school principal.

#### Definitions of Disciplinary Actions

1. **Expulsion:** Suspension of a student beyond the current school semester, up to and including permanent removal from the school system.
2. **Suspension (Short-Term):** A temporary termination of attendance, not to exceed ten days.
3. **Suspension (Long-Term):** A temporary termination of attendance that exceeds ten school days.
4. **Probation:** A conditional attendance during a trial period.
5. **Student Review Committee (SRC):** A committee appointed by the Houston County School District to hear cases of recommended long-term suspension or expulsion.
6. **Detention:** A requirement that the student remain after school for a disciplinary offense. All students must be given an advance notice of one day.
7. **Alternative School:** An alternative educational environment for suspended students, affording the student the opportunity to continue his/her regular class work. Students must apply for admission.
8. **In-School Suspension (ISS):** An alternative education environment located in the school but isolated from other normal school activities and supervised by a teacher. A student may be assigned to in-school suspension for up to 10 days by the principal or designee.
9. **Bullying:** See Student Code of Conduct.

#### Due Process for Students

Due process will include appropriate hearings and reviews; and, in all cases, the rights of individual students will be ensured and protected.

#### Suspension

1. Parents are given oral notice and opportunity to discuss the matter with the principal.
2. Parents are given written notice stating the reasons for the suspension.

#### Expulsion or Long-Term Suspension

1. Parents are given oral notice and opportunity to discuss the matter with the principal.
2. Parents are given written notice stating the reasons for the recommendation for expulsion/long-term suspension.
3. Parents are given written notice of a right to a hearing before Student Review Committee.
4. Parents have a right to a hearing within ten (10) school days by the Houston County School District Tribunal.

5. Students with disabilities will be reviewed by the Special Education Educational Management/Placement Committee hearing.

### *In-School Suspension (ISS): General Regulations*

1. Students assigned to in-school suspension must be isolated in the designated room from the time they report to school until school dismissal time. At that time they will either leave school or move to the bus loading area.
2. Suspended students' parents or guardians must receive written notification of the suspension. In addition, every effort should be made to contact the parents by telephone before the student is placed in in-school suspension.
3. Teachers should prepare realistic assignments for each student assigned to ISS. These assignments should be specific to each day of the student's suspension and should relate directly to the curriculum.
4. The ISS teacher should return each assignment for each day to the corresponding teacher at the end of each school day. The teacher should then examine the student's assignment and give feedback to the ISS supervisor the next morning. If problems are detected, the teacher should work with the ISS supervisor and the student to correct misunderstandings or problems. No contact with the teacher indicates that no problems exist.
5. No student may be assigned to ISS for more than ten (10) consecutive days. Care should be taken to avoid excessive accumulated assignments to ISS for any student.
6. Students in ISS are to have no contact with other students during the school day, especially at lunch and bathroom breaks.
7. Students in ISS are to be provided with regular student services.
8. ISS must be used in lieu of suspending students from school except in cases of clear and present threat to the safety of other students or in case of other extenuating circumstances.
9. A maximum of eighteen (18) students may be served in ISS at any one time.
10. Limited use may be made of ISS as a "time out" room. However, if a student is assigned for the same class period from two or more consecutive days, the assignment must be considered a suspension and the proper procedures, including parent notification, should be followed.
11. Each school should develop clearly defined expectations, rules, and procedures for ISS and distribute them to parents, students, and teachers.

### *Student Rules for In-School Suspension*

The following will apply to all students assigned to ISS.

I understand that I must:

1. Remain in ISS until dismissed.
2. Attend ISS for the number of days assigned before being admitted to regular class.
3. Bring an excuse from my parent/guardian explaining reasons for any absence.
4. Complete to the best of my ability all assigned work.
5. Furnish or bring to class all required materials to complete the assignments.
6. Refrain from talking except as specifically authorized.
7. Refrain from chewing gum, eating, bringing book bags in class.
8. Refrain from all communications with other students.
9. Not participate in any extra-curricular activities while assigned to ISS.
10. Abide by all school rules as explained in this handbook.

### *Encouraging Parents To Inform Their Children Of The Circumstances Of Certain Conduct*

The General Assembly of Georgia requires the code of conduct include language encouraging parents and guardians to inform their children of the consequences, including potential criminal penalties, of underage sexual conduct and crimes for which a minor can be tried as an adult.

## DRESS CODE

Good personal appearance, appropriate dress, proper behavior, and cleanliness are vital to each member of the school community. Developing good tastes in attire, good grooming habits, and good behavior are a part of the educational program.

Students of the Houston County School District are expected to dress in a manner that is supportive of a positive learning environment that is free of distractions and disruptions. There is a direct correlation between student dress and student behavior. Students will be expected to observe modes of dress, styles of hair, and personal grooming which support the learning environment. The purpose of this dress code is to assure that consistency and interpretation is implemented county-wide, thus providing equitable treatment for all students.

In making a judgment concerning the appropriateness of a student's dress or grooming, the principal should adhere to the guidelines set forth in the procedures that accompany this policy.

### *Dress Code Enforcement*

The principal of the school is charged with the enforcement of the student dress code. The principal is given wide latitude of discretion in the determination of proper or improper dress and behavior of students. Students who are found to be in violation of the dress code are subject to disciplinary action. The principal's actions may include:

Counseling the student,  
Warning the student,  
Calling parents to bring a change of clothes,  
After school detention,  
Placing the student in in-school suspension for the remainder of the day,  
Suspending the student short-term, or  
Recommending long-term suspension (for flagrant or repeated violations).

### *Dress Code Specifics*

#### *General Rules*

- Outer clothing which resembles loungewear, pajamas, or underwear is prohibited.
- Fads and styles in dress, which differ extremely from conventionally accepted standards are prohibited.
- Any clothing that is viewed as distracting because of extremes in style, fit, color, pattern, fabric, etc., shall not be permitted. Undergarments may not be exposed at any time.

#### *Specific Rules*

- Blouses/shirts should be constructed so that the top of the shoulder is covered and is fitted under the arms (no halter tops, tank tops, strapless tops, spaghetti straps, or bare-shouldered tops of any type will be allowed). Blouses/shirts which expose any portion of the waist, hips, or midriff are not allowed. ### **DRILLS: FIRE/TORNADO/EMERGENCY/BUS EVACUATION DRILLS**

Students, teachers, and other school district employees will participate in drills of emergency procedures. The following safety drills are practiced:

**\*Fire Drills** - These are held ten (10) times a year. When the alarm is sounded, students should follow the direction of teachers or marshals quickly, quietly, and in an orderly manner.

**\*Tornado/Severe Weather** - Tornado drills are held once a year. Schools do practice walk throughs in order to ensure students know where to go and what to do.

A tornado watch: conditions are favorable for a tornado or severe weather.

A tornado warning: tornado has been sighted.

**If a tornado warning is issued, bus dismissal may be delayed.** If students are in-route to or from school and a tornado warning is issued, buses are required to stop at the nearest school and students/driver takes shelter there until the warning has passed.

When schools have been placed on a true Code Red lockdown, you will be notified through our School Messenger Phone System before the end of the school day.

**\*Bus Evacuation** - Safe Bus evacuation is practiced twice a year during physical education classes with all students.

The safety plans of our schools are routinely assessed to ensure that the best practices are in place to protect our children. Teachers and students are taught what to do in the event of fire, severe weather and school lockdowns. We practice so that our students, faculty and staff have the knowledge to protect themselves and so they know what to do if a situation arises. Our communication system is capable of calling every parent in a matter of minutes to help keep you fully informed.

Throughout the school year, our teachers will be sharing and practicing our safety plans with the students. It will be handled in a low key way, but in a way that ensures that everyone understands what to do in an emergency situation.

In the event of an emergency, the students and staff in our system are our first priority. These procedures and practices are designed for their protection.

**GIFTED EDUCATION PROGRAM**

The middle school gifted education program is a state program designed to meet the educational needs of students who demonstrate a high degree of intellectual ability, talent, and/or creativity. Teaching and learning focus on developing cognitive learning, research and reference, and metacognitive skills at each grade grouping, using principles of differentiation in core content areas. Gifted-identified sixth, seventh, and eighth grade students are served daily in gifted language arts, science, and social studies with the option of a fourth class, Accelerated Content (AC) math.

Gifted eligibility criteria are set by the state of Georgia. Students obtain eligibility through three of the four established criteria in the areas of achievement, mental ability, creativity, and motivation. The referral and placement process is coordinated by the school's Gifted Eligibility Team and county testing diagnosticians for

consideration for formal evaluation. Parent permission will be obtained before any formal evaluation is begun, and parents will be notified in writing regarding their child's eligibility for the gifted education program.

### Definitions

**Gifted Student** - In Georgia, a gifted education student is defined as one who demonstrates a high degree of intellectual and/or creative ability(ies), exhibits an exceptionally high degree of motivation, and/or excels in specific academic fields and needs special instruction and/or special ancillary services to achieve at levels commensurate with his or her ability(ies).

**Differentiated Curriculum**- Gifted students need the opportunity to work through the curriculum at a faster pace and need less time on basics and revision. The curriculum is differentiated in complexity and acceleration, which offers a variety of options for students who differ in abilities, knowledge and skills. In a differentiated classroom, teachers differentiate **content, process, product, environment** and **assessments** according to a student's **readiness, interest** and **learning profile**.

**A differentiated curriculum for gifted learners includes, but not limited to the following expectations:**

- **Content**- curriculum standards the student is expected to master incorporating related complex and challenging support materials that:
  - Requires intellectual struggle
  - Utilizes primary documents
  - Integrates research skills and methods
  - Incorporates relevant and real-life experiences
  - Integrates interdisciplinary connections
- **Process**- instructional strategies designed to ensure that students acquire a deep understanding of the curriculum standards by:
  - Emphasizing higher-order thinking, problem-solving, and communications skills
  - Fostering self-initiated and self-directed learning
  - Promoting creative application of ideas
  - Modeling and encouraging academic discussion
- **Products**- vehicles through which students demonstrate and extend what they have learned through demonstrating a developmentally appropriate capacity for:
  - Self-directed learning
  - Meaningful collaboration
  - Effective problem solving of challenging and complex issues
  - Effective communication
  - Social and emotional understanding of “self” relative to community, culture, and physical environment
- **Environment**- physical setting and work conditions modified to:
  - Change the actual work space for students
  - Allow flexible time
  - Provide opportunities for independent study and in-depth research
  - Provide opportunities for mentorship
- **Assessment**- formative and summative on and off-grade-level monitoring to document student mastery of curriculum standards and learning levels such as:
  - Pre/post assessments
  - Self-assessment through use of rubrics
  - Creation of goal-based checklist
  - Conferencing, commentary, and qualitative feedback (Cobb, 2012)
- **Readiness**- a student's entry point relative to a particular understanding or skill
- **Learning Profile**- how an individual student learns

### Referral

Students currently enrolled in Houston County schools may be referred for testing at any time during the school year. All referrals will be reviewed by the schools' eligibility team for consideration for formal evaluation. Parent permission will be obtained before any formal evaluation is begun, and parents will be notified in writing regarding their child's eligibility for the gifted program. Teachers and parents may make referrals by completing a basic Traits, Aptitudes, and Behaviors (TABS) form for review by the school eligibility team.

### **Eligibility**

1. To be eligible for gifted education services, a student must either:
  - a. score at the 99<sup>th</sup> percentile (for grades K-2) or the 96<sup>th</sup> percentile (for grades 3-12) on the composite or full scale score of a norm-referenced test of mental ability and meet one of the achievement criteria approved by the state of Georgia in Achievement, or
  - b. qualify through a multiple- criteria assessment process by meeting the criteria in any three of the following four areas: mental ability, achievement, creativity, and motivation.
2. To be eligible for gifted education services, a student must meet the criterion score on a norm-related test. Information is collected in each of the four areas: mental ability, achievement, creativity, and motivation.
3. Any test score used to establish eligibility must be current within two-calendar years.
4. Any data used in one area to establish a student's eligibility may not be used in any other data category.

### **Multiple-Criteria Assessment Process**

A student must meet the criteria in any three of the following four areas: mental ability, achievement, creativity, and motivation.

**Mental Ability**- Students score at or above the 96<sup>th</sup> percentile on a composite or full-scale score or appropriate component score on an approved nationally age normed mental ability test.

**Achievement**- Students score at or above the 90<sup>th</sup> percentile on the total battery, total math or total reading section(s) of a norm-referenced achievement test.

**Creativity**- Students score at or above the 90<sup>th</sup> percentile on the total battery score of a norm-referenced test of creative thinking.

**Motivation**- Students receive a score at or above the 90<sup>th</sup> percentile on a standardized motivational characteristics rating scale or for grades 6-12 students have a grade point average (GPA) of at least 3.5 on a 4.0 scale where 4.0 = A and 3.0 = B, or a numeric grade point average (NGA) of 90 percent on a 100-point scale where 100 = A and an 89 = B.

### **Continued Participation**

As per the Georgia Department of Education, students must perform at or above a certain level to continue to receive gifted education services. The continuation policy includes a probationary period in which a student who fails to maintain satisfactory performance in gifted education classes shall continue to receive gifted education services while attempting to achieve satisfactory performance status.

The continuation policy provides for a final review prior to discontinuing gifted education services for students who fail to demonstrate satisfactory performance in gifted education classes during the probationary period and criteria for resuming gifted education services for such students.

### **Reciprocity**

Any student who meets the initial eligibility criteria for gifted education services in one Local Educational Agency (LEA) is considered eligible to receive gifted education services in any LEA within the state of Georgia. The receiving school or district should carefully review the student's gifted education records. If gifted education records are not available, the transferring district should be contacted to obtain the student's gifted education records before placing the student into the gifted education program. The receiving school or district should honor the continuation policy of the transferring school.

There is no mandated reciprocity between states unless the student is a dependent of military personnel. Therefore, a student who is eligible for services in one state is not automatically eligible in the state of Georgia. The receiving school should complete an eligibility evaluation on out-of-state transfer students. To aid in the process of determining Georgia gifted eligibility, the following documents should be presented to the student's new school: a current eligibility report, recent standardized test scores and work samples. Recommendations from teachers are also helpful.

The Georgia General Assembly enacted legislation relating to the education of children of military families that impact the gifted education reciprocity of students whose households include an active member of the United States uniformed services, veteran of the United States uniformed services who is severely injured and medically discharged or a member of the United States uniformed services that died on active duty. The goal of the legislation is to maximize a student's educational continuity despite the frequent movement across states and school districts. Nothing in this code section precludes/prevents the school in the receiving state from performing subsequent evaluations to ensure appropriate placement of the student.

### Curriculum

Houston County implements the Advanced Content delivery model based on Georgia's Programming Standards for Meeting the Needs of Gifted & High-Ability Learners and state guidelines. Classes in gifted education are courses of study in which the content, teaching strategies and expectations of student mastery have been adjusted to be appropriate for gifted students. Houston County employs rigorous and relevant curricula K-12 to accommodate the range of academic and intellectual needs of gifted learners. State-adopted standards are articulated and applied in differentiated curricula that match the identified academic needs, abilities, readiness, interests, and learning profiles of K-12 gifted learners in both the regular classroom and gifted education delivery systems. The curriculum enriches, extends and enhances learning in gifted learners' areas of strength. The gifted language arts courses are designed to prepare students for the rigor of high school Honors and AP English courses as well as, gifted science courses providing a foundation for an AP science curriculum in the high school program.

Curricula for gifted students focuses on developing both cognitive and metacognitive skills through strengthening intellectual learning and research and reference skills at each grade level. The main goal of the program is to provide a stimulating and challenging course of study with emphasis on independent learning and critical thinking. The curriculum is supplemented with independent research, projects and required outside readings. Sixth grade students are required to complete a social studies project. Seventh grade students are required to complete a science project which they enter in an annual county-wide science fair. Eighth grade students are required to complete either a science project or social studies project.

For further information, contact the Gifted Lead Teacher, counselor, or instructional administrator at your child's school.

### GRADES

All grades will be reported using the following numerical system:

90 - 100	=	A
80 - 89	=	B
70 - 79	=	C
Below 70	=	F (no credit)

## GUIDANCE AND COUNSELING

The guidance office is open to any student at any time. It is best to stop by in the morning to make an appointment. Through guidance, a student can achieve greater awareness of who he/she is, what he/she is capable of, and what he/she can become. The guidance counselor collects information about each student in order to help the student understand himself/herself. Tests, autobiographies, and interviews are some of the ways counselors collect information. Counselors treat information about individual students with confidentiality. The counselor is available to help students with any problems. The problems listed below are only a few of the types of problems one may experience in middle school.

1. Why are all my friends mad at me?
2. What good are those standardized tests we take?
3. My parents don't seem to understand me.
4. I don't know how to study. Can you help?
5. Why is homework necessary?
6. Is it necessary to follow the crowd?

## ACCIDENTS, ILLNESS, AND HEALTH SERVICES

If a child is injured at school, office personnel will render first aid. Parents will then be contacted in those cases which the school deems are serious enough to warrant communication. If the school is unable to reach the parent, the emergency telephone contact person(s) will be called in an effort to find someone to come for the child. In the event a parent or emergency contact cannot be reached, EMS may be called for transport to the local hospital. Please assist the school by leaving current emergency telephone numbers to be used in the event that you are not available. When a child becomes ill at school, the parent will be notified just as in the case of an accident. Parents will also be contacted in cases of children soiling their clothes at school through accidents such as vomiting, urinating, or defecation. If a child shows signs of illness, he/she should not be sent to school.

**Parental assistance is urgently needed in providing pertinent medical information upon the enrollment of the child in school. Please assist the school by notifying the office of any change in student data (medical or otherwise) that will ensure your child's success for a safe and healthy school year.**

### When to Keep Your Child Home

Preventive and emergency school-based health services are provided to public school children in grades Pre-Kindergarten through Twelfth. The Health Related Services department uses "Best Practice" standards that strive to eliminate barriers, increase attendance, and identify health related concerns that influence learning.

**Please refer to the following guidelines when considering returning a sick/recovering child to school:**

1. A child should be fever-free for 24 hours without medication before returning.
2. A child must be diarrhea or nausea/vomiting free for 24 hours without medication (anti-diarrheal or anti-nausea/anti-emetic) before returning.

6. All open, draining, or contagious skin areas (i.e. Staph, ringworm, Molluscum Contagiosum) must be able to be contained by a bandage/covering. Please provide a note from the doctor releasing the student to return to school and to excuse the absence(s).
7. A child with scabies will be allowed to return to school the following day after the first treatment.
8. A child must not require narcotics to control pain during school hours post procedure or injury.

**KEEP A CHILD HOME, if she/he:**

1. Has had a fever\* of 100 degrees or higher in the past 24 hours.
2. Is nauseous and/or vomiting and/or has diarrhea.
3. Has been exposed to a contagious disease and is exhibiting signs/symptoms of the disease.

### Medication Administration

Prescription medicines (no narcotics) will be given to students by school personnel only when prescribed and ordered by a physician and when the following guidelines are followed:

1. All medication must be presented to the school office by a parent in a prescription labeled bottle, which will include the student's name, date, instructions for administering, name of the drug, and name of the issuing physician.
2. A Medication Administration form HRS 29, is required to be filled out by the physician and parent in cases of long-term medication (more than two weeks/10 doses).

Non-prescription medicine or over the counter medicine, such as Tylenol, should be turned into the main office staff to be administrated. Over the counter medicines will be given only for a short- term duration (i.e. two consecutive weeks or for a total of 10 times a year) without a physician's order. Medication must be in the original unopened new container, age appropriate, and accompanied by written parental request with directions for administering. A Short Term Medication form HRS 29C may be requested by the Health Technician.

HERBAL Medications will not be given without an order from the student's physician.

**Expired medication will not be given. Please check for expiration date before bringing medications to school.**

Students requiring an inhaler, injectable epinephrine (Epi-Pen), or Glucagon are allowed to have them at all times. It is critical that you discuss your child's medical condition(s) with the principal, teacher, and school nurse. Students must not share these medications with other students. Disciplinary consequences will apply for students misusing these medications. **Parents must pick up all medication at the end of the school year.**

### Head Lice

**Head lice can infect anyone, not just children. Head lice are spread through head-to-head contact and sharing of brushes, combs, head bands, hats, jackets, etc.** It is not our practice to check the entire class for head lice or send letters home to an entire class.

Lice are more common among preschool and elementary school-aged children and their families. Head lice cannot live on pets or animals, only on humans. No diseases are spread by head lice.

**If a student is found to have active head lice, the parent will be called to pick him/her up. The school Health Technician will provide educational material to assist the parent in eliminating lice from the student and environment. The student will not be allowed back into school with live lice. The school Health Technician will inspect the student's scalp for active lice upon initial re-entry after first treatment and every 7 days up to 21 days or until clear of lice and nits.**

Please help the school prevent lice outbreaks by encouraging your child not to share clothing items or other personal items such as combs, brushes, and towels with friends. The school nurse is available for consultation with difficult cases.

#### Hospital-Homebound Services

#### Sex Education (O.C.G.A. § 20-2-143 and GA DOE Rule 160-4-2-.12)

The Houston County School District implements the Choosing The Best (CTB) sex education program in grades 6-12. The program content is designed for each grade level as appropriate. CTB promotes Sexual Risk Avoidance (SRA) practices based on researched-based and medically accurate information. CTB is not anti-contraception, but provides factual information about risks correlated to various methods with an emphasis that abstinence is the only 100% safe method. There are no demonstrations of contraceptive products (condoms or otherwise). The program does not legislate morality and religious and/or political views are not a part of the curriculum. The program teaches that risky behaviors and healthy choices apply to everyone regardless of gender identity or sexual orientation. Parents have the right to review all materials used and/or to exclude their child from participation in the program. Forms to opt-out of this instructional content can be found in the Parent Signature Pages sent home at the beginning of the school year. More information can be found at <https://houstoncountys.schoolinsites.com/healthandpe> Parents should contact the school counselor with questions.

In the event that such action causes the need for technical assistance to restore the service, application or data, restitution may be charged.

Any unauthorized access or breach of state or federal law is subject to criminal prosecution.

#### LEAVING CAMPUS

After arrival at school - whether by walking, by car, or by bus, students may not leave the campus for any reason in the morning or during the school day without the permission of the principal or designee.

## **LOCKERS**

Lockers may be issued to students on an availability basis. Students may not share lockers with other students. Lockers are the property of the school and may be checked or searched at any time without notice to the student.

## **LUNCH/BREAKFAST PROGRAM**

For the 2021-2022 school year, due to several USDA waivers, all students will receive meals at no charge. Breakfast and lunch will be served at each school daily. Menus can be found at [www.hcbe.net/schoolnutrition](http://www.hcbe.net/schoolnutrition).

Snacks are available for purchase at the register. For speed of service and convenience, we encourage families to put money on their students' accounts at [www.myschoolbucks.com](http://www.myschoolbucks.com). Checks and cash can also be loaded onto accounts by school nutrition staff at the register. Checks should be made payable to Houston County School Nutrition and the student's ID number should be written on the check or clearly labeled on an envelope containing cash.

Students are expected to respect other students and the cafeteria space. Trash should be placed in appropriate receptacles.

## **MEDIA CENTER**

The school provides material for recreational reading and research. The media center staff is anxious to help students, and we urge students to request assistance when needed. During the school hours, admittance is by written permit only unless the student comes with a class and a teacher. A permit is obtained from the subject teacher and stamped by a library assistant when the student returns to class. Students coming to the library from class must have a purpose relative to the subject and require the use of library materials.

All books and materials taken from the media center will be checked out at the circulation desk. Reference books and magazines may have different circulation rules than books from the regular collection. Students should ask the media specialist about their school's policy for checking out these materials.

A reasonable fine per day per item is charged when overdue items are late. While in the media center, students are expected to follow all of the rules in their school handbook regarding food, snacks, drinks, and book bags. Food and drinks are never allowed in the shelves or at library computer stations.

### *Challenged Materials*

Criticisms of instructional and library materials that are in the Houston County Schools shall be submitted in writing to the individual school principal on the form available in the school office. It is suggested that the critic file the complaint which will be submitted to the school Media Committee appointed by the principal. If a parent or guardian objects to a reading assignment made by a classroom teacher, the parent may request in writing that the student be given a comparable alternative assignment without penalty. In so doing, the parent should state the reason for the request.

## **PARENT PERMISSION TO DROP OUT**

When a sixteen or seventeen year-old student desires to withdraw from school, he/she must have the written permission of his/her parent or guardian prior to withdrawing. Prior to accepting such permission, a school administrator will have a conference with the student and parent/legal guardian within two school days of receiving notice of the intent of the student to withdraw. The purpose of the conference is to share with the student and parent/guardian educational options available and the consequences of not earning a high school diploma.

## **PERFECT ATTENDANCE**

To receive an award for PERFECT ATTENDANCE, a student may **not** be absent, tardy, or be dismissed before the end of the instructional day.

## PROMOTION and RETENTION

Promotions are made on the basis of the ability of the pupil to do the work at the next level of instruction. Retention or promotion decisions will be the responsibility of the certificated staff. Parents, teachers, the student involved and other concerned persons must be included in the discussions leading to a decision. If any decision to retain or to plan for a longer-than-average time in a particular series of grades occurs, the school will notify the parents prior to the year's terminal report card. Any desire to change grade placement for the betterment of the child must be discussed with parents. The welfare of the student is the primary consideration.

In order to help assure appropriate achievement as students progress through their school experience, the Houston County School District establishes the following basic promotion and retention criteria for use in the school system.

Promotion of students in grade 8 shall follow requirements set forth in Georgia Board of Education Rule 160-4-2.11.

### Grade 8

No eighth grade student shall be promoted to the ninth grade if the student does not achieve the minimum performance level for promotion on the English / Language Arts and mathematics state mandated assessment and meet promotion standards and criteria established by the local board of education for the school that the student attends.

The school principal or designee may retain a student who performs satisfactorily on the state mandated assessment but who does not meet promotion standards and criteria established by the local board of education.

### Middle School Promotion and Retention Standards

Promotion of students in grades 6, 7, and 8 shall follow the requirements set forth in Georgia Board of Education Rule 160-4-2-.11 and the local Board of Education.

Each student must take six subjects: language arts, mathematics, social studies, science and two courses during the exploratory block and will receive six grade averages at the end of a school year.

In order to be promoted, a student must pass a minimum of five subjects each year. Further, a student must pass all four core academic subjects (language arts, mathematics, science and social studies) in order to qualify for promotion to the next grade. Within specified guidelines, schools shall have the authority to "place" a student who does not meet promotion requirements based on the best educational interest of the child.

Attendance regulations set forth in Houston County School District Policy JBD shall be enforced.

## RELEASE OF STUDENTS

The school may not release a student to any person other than the person who enrolled the student in school. If an individual other than the person who enrolled the student in school is authorized to take the student from school on a regular basis (e.g., a grandparent or other relative, childcare provider, etc.), the person who enrolled the student in school must notify the school of such in writing, and this notification should be placed in the student's record. **A PICTURE ID MAY BE REQUIRED BEFORE THE STUDENT WILL BE RELEASED.** If someone other than the person who enrolled the student in school (or an individual authorized in writing by this person) attempts to take custody of the child or to remove the child from the school, the school will immediately contact the person who enrolled the student in school. If a person who attempts to take custody of the child without consent of the person who enrolled the student in school refuses to leave the school or causes a problem the school should contact the appropriate law enforcement agency. (This provision shall apply with respect to State or local law enforcement officers.)

## SCHOOL DAY

For daily reporting purposes, students must be present at least one-half of the instructional day to be considered present (students must be present by 11:30 a.m./or dismissed after 11:30 a.m.). To receive Perfect Attendance, a student may not be absent, tardy, or dismissed before the end of the school day at 2:30 p.m.

## **SECTION 504 PROCEDURAL SAFEGUARDS**

1. Overview: Any student or parent or guardian ("grievant") may request an impartial hearing due to the school system's actions or inactions regarding your child's identification, evaluation, or educational placement under Section 504. Requests for an impartial hearing must be in writing to the school system's Section 504 Coordinator; however, a grievant's failure to request a hearing in writing does not alleviate the school system's obligation to provide an impartial hearing if the grievant orally requests an impartial hearing through the school system's Section 504 Coordinator. The school system's Section 504 Coordinator will assist the grievant in completing the written Request for Hearing.

2. Hearing Request: The Request for the Hearing must include the following:
  - a. The name of the student.
  - b. The address of the residence of the student.
  - c. The name of the school the student is attending.
  - d. The decision that is the subject of the hearing.
  - e. The requested reasons for review.
  - f. The proposed remedy sought by the grievant.
  - g. The name and contact information of the grievant.

Within 10 business days from receiving the grievant's Request for Hearing, the Section 504 Coordinator will acknowledge the Request for Hearing in writing and schedule a time and place for a hearing. If the written Request for Hearing does not contain the necessary information noted above, the Section 504 Coordinator will inform the grievant of the specific information needed to complete the request. All timelines and processes will be stayed until the Request for Hearing contains the necessary information noted above.

3. Mediation: The school system may offer mediation to resolve the issues detailed by the grievant in his or her Request for Hearing. Mediation is voluntary and both the grievant and school system must agree to participate. The grievant may terminate the mediation at any time. If the mediation is terminated without an agreement, the school system will follow the procedures for conducting an impartial hearing without an additional Request for Hearing.
4. Hearing Procedures:
  - a. The Section 504 Coordinator will obtain an impartial review official who will conduct a hearing within 45 calendar days from the receipt of the grievant's Request for Hearing unless agreed to otherwise by the grievant or a continuance is granted by the impartial review official.
  - b. Upon a showing of good cause by the grievant or school system, the impartial review official, at his or her discretion, may grant a continuance and set a new hearing date. The request for a continuance must be in writing and copied to the other party.
  - c. The grievant will have an opportunity to examine the child's educational records prior to the hearing.
  - d. The grievant will have the opportunity to be represented by legal counsel at his or her own expense at the hearing and participate, speak, examine witnesses, and present information at the hearing. If the grievant is to be represented by legal counsel at the hearing, he or she must inform the Section 504 Coordinator of that fact in writing at least 10 calendar days prior to the hearing. Failure to notify the Section 504 Coordinator in writing of representation by legal counsel shall constitute good cause for continuance of the hearing.
  - e. The grievant will have the burden of proving any claims he or she may assert. When warranted by circumstances or law, the impartial hearing officer may require the recipient to defend its position/decision regarding the claims (i.e. A recipient shall place a disabled student in the regular educational environment operated by the recipient unless it is demonstrated by the recipient that the education of the person in the regular environment with the use of supplementary aids and services cannot be achieved satisfactorily. 34 C.F.R. §104.34). One or more representatives of the school system, who may be an attorney, will attend the hearing to present the evidence and witnesses, respond to the grievant testimony and answer questions posed by the review official.
  - f. The impartial review official shall not have the power to subpoena witnesses, and the strict rules of evidence shall not apply to hearings. The impartial review official shall have the authority to issue pre-hearing instructions, which may include requiring the parties to exchange documents and names of witnesses to be present.
  - g. The impartial review official shall determine the weight to be given any evidence based on its reliability and probative value.
  - h. The hearing shall be closed to the public.
  - i. The issues of the hearing will be limited to those raised in the written or oral request for the hearing.
  - j. Witnesses will be questioned directly by the party who calls them. Cross-examination of witnesses will be allowed. The impartial review official, at his or her discretion, may allow further examination of witnesses or ask questions of the witnesses.
  - k. Testimony shall be recorded by court reporting or audio recording at the expense of the recipient. All documentation related to the hearing shall be retained by the recipient.
  - l. Unless otherwise required by law, the impartial review official shall uphold the action of school system unless the grievant can prove that a preponderance of the evidence supports his or her claim.
  - m. Failure of the grievant to appear at a scheduled hearing unless prior notification of absence was provided and approved by the impartial review official or just cause is shown shall constitute a waiver of the right to a personal appearance before the impartial review official.
5. Decision: The impartial review official shall issue a written determination within 20 calendar days of the date

the hearing concluded. The determination of the impartial review official shall not include any monetary damages or the award of any attorney's fees.

6. Review: If not satisfied with the decision of the impartial review official, any party may pursue any right of review, appeal, cause of action or claim available to them under the law, existing state or federal rules or regulations.

## **SECTION 504 PARENT/STUDENT GRIEVANCE PROCEDURES**

Although the below steps are recommended for the most efficient resolution at the lowest level, the parent/student has the right to by-pass these steps at any time and request an impartial due process hearing related to decisions or actions regarding your child's identification, evaluation, educational program, or placement. ### **Step II**

A complainant dissatisfied with the decision of the school principal may appeal to the System Section 504 Coordinator by submitting a written statement of complaint to the System Section 504 Coordinator. This statement must be filed within ten (10) calendar days after the complainant receives the decision from the school principal. The complaint should be mailed to:

Dr. Zabrina Cannady, Assistant Superintendent for Student Services  
1100 Main Street  
Perry, Georgia 31069  
(478) 988-6200 ext. 3376  
zabrina.cannady@hcbe.net

Upon receipt of the written statement, the Section 504 Coordinator will schedule a meeting to attempt resolution of the concerns. The System Section 504 Coordinator will render a written decision within ten (10) calendar days after the meeting.

### **Step III**

A complainant dissatisfied with the decision of the System Section 504 Coordinator may appeal to the Houston County School District by filing a written request to the Office of the Superintendent. The complaint should be mailed to:

## TITLE IX SEXUAL HARASSMENT

The Houston County School District desires that all students receive the benefit of an adequate education. With this view in mind, the District prohibits unlawful discrimination against students on the basis of race, color, national origin, sex, religion, age, or disability in its programs and activities. ## **VOLUNTEERS AT SCHOOL**

The Houston County School District welcomes the involvement of parents and other members of the community as volunteer helpers in the school. ## **VISITORS AT SCHOOL**

A visitor is defined as any person who is not a student at such school, an employee of the school or school system, a school board member, an approved volunteer following established guidelines of the school, or a person who has been invited to or otherwise authorized to be at the school by a principal, teacher, counselor, or other authorized employee of the school. All visitors are required to report to the school office upon entering and leaving the school building to obtain a pass. Visitors are limited to the office area of the school only, unless otherwise directed by the school principal or designee.

Any person who shall not have any legitimate cause or need to be present upon the premises or within the school safety zone of any school and who willfully fails to remove himself or herself from such premises after the principal or designee of such school requests him or her to do so, shall be guilty of a misdemeanor of a high and aggravated nature.

All visitors are reminded of the following Georgia law:

Any parent, guardian, or person other than a student at a public school who has been advised that minor children are present who continues to upbraid, insult, or abuse any public school teacher, public school administrator, or public school bus driver in the presence and hearing of a student while on the premises of any public school or public school bus may be ordered by any of the above designated school personnel to leave the school premises or school bus, and upon failure to do so, such persons shall be guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine not to exceed \$500.

Each principal or designee of each school shall have the authority to exercise such control over the buildings and grounds upon which a school is located so as to prohibit any person who does not have a legitimate need or cause to be present thereon from loitering on such premises.

Any person who is not a member of the school staff or student body who loiters on or about any school building or grounds without written permission or who causes disturbances may be prosecuted according to law.

A Public Service Announcement request will also be sent to the local media, to include 13WMAZ TV, FOX24 TV, WMGT41 TV, WRWR TV-38, and all local radio stations.

## **WITHDRAWAL FROM SCHOOL**

Parents should notify the school if for any reason it becomes necessary for their child to be withdrawn from school. Students should secure a withdrawal slip from a counselor. The form must be signed by each teacher, the media specialist, lunchroom manager, attendance clerk and returned to the counselor. Fees owed for lost or damaged books, library fines, lunch fees, etc. must be paid before the withdrawal process is complete. Parents should take a copy of the withdrawal form with them to the new school.

## **Student Code of Conduct**

It is the purpose of the Houston County School District to operate each school in a manner that will provide an orderly process of education and that will provide for the welfare and safety of all students who attend the schools within the district. In accordance with that purpose, the Houston County School District has adopted a policy, which requires all schools to adopt codes of conduct. Students are required to follow the Code of Conduct at all times in order to facilitate a positive learning environment for themselves and other students. These standards for behavior require students to respect each other and school district employees, to obey student behavior policies adopted by the Board and to obey student behavior rules established at each school within the district.

A school's primary goal is to educate, not to punish; however, when the behavior of an individual student comes in conflict with the rights of others, corrective actions may be necessary for the benefit of that individual and the school as a whole. Accordingly, students shall be governed by policies, regulations and rules set forth in the Code of Conduct.

The student Code of Conduct shall be distributed to each student and the student's parents or guardians during the first week of school and upon enrollment of each new student. Parents shall be requested to sign an acknowledgment of the receipt of the Code of Conduct and return promptly the acknowledgment to the school. The student Code of Conduct shall be available in each school office and each classroom.

The Code of Conduct is effective during the following times and in the following places:

- At school or on property owned by the school district at any time;
- Off school grounds at any school-related activity, function or event and while traveling to and from such events;
- On school buses and at school bus stops.

Also, students may be disciplined for conduct off campus, which could result in the student being criminally charged with a felony and which makes the student's continued presence at school a potential danger to persons or property at the school or which disrupts the educational process.

Major offenses including, but not limited to, drug and weapon offenses can lead to schools being named as an Unsafe School according to the provisions of State Board Rule 160-4-8-.16, UNSAFE SCHOOL CHOICE OPTIONS.

Parents are encouraged to become familiar with the Code of Conduct and to be supportive of it in their daily communication with their children and others in the community.

## **AUTHORITY OF THE PRINCIPAL**

The principal is the designated leader of the school and, in concert with the staff, is responsible for the orderly operation of the school. In cases of disruptive, disorderly or dangerous conduct not covered in the Code of Conduct, the principal may undertake corrective measures, which he or she believes to be in the best interest of the student and the school provided any such action does not violate school board policy or procedures.

## **AUTHORITY OF THE TEACHER**

The Superintendent fully supports the authority of principals and teachers in the school district to remove a student from the classroom pursuant to provisions of state law.

Each teacher shall comply with the provisions of O.C.G.A. § 20-2-737, which requires the filing of a report by a teacher who has knowledge that a student has exhibited behavior that repeatedly or substantially interferes with the teacher's ability to communicate effectively with the students in his or her class or with the ability of such student's classmates to learn. Such report shall be filed with the principal or designee on the school day of the most recent occurrence of such behavior, shall not exceed one page, and shall describe the behavior. The principal or designee shall, within one school day after receiving such a report from a teacher, send to the student's parents or guardian a copy of the report and information regarding how the student's parents or guardians may contact the principal or designee.

The principal or designee shall notify in writing the teacher and the student's parents or guardian of the discipline or student support services, which has occurred as a result of the teacher's report within one school day from the imposition of discipline or the utilization of the support services. The principal or designee shall make a reasonable attempt to confirm that the student's parents or guardian has received the written notification, including information as to how the parents or guardian may contact the principal or designee.

## **PROGRESSIVE DISCIPLINE PROCEDURES**

When it is necessary to impose discipline, school administrators and teachers will follow a progressive discipline process as appropriate considering the student's discipline history and conduct.

The Code of Conduct provides a systematic process of behavioral correction in which inappropriate behaviors are followed by consequences. Disciplinary actions are designed to teach students self-discipline and to help them substitute inappropriate behaviors with those that are consistent with the character traits from Georgia's Character Education Program.

The following disciplinary actions, or any of them, may be imposed for any violation of this Code of Conduct:

- Warning and/or Counseling with a School Administrator, Counselor, or Teacher:
- Loss of Privileges
- Removal from Class or Activity
- Notification of Parents
- Parent Conference
- Detention
- In-school Suspension
- Placement in an Alternative Education Program
- Short-term Home Suspension
- Referral to a Tribunal for Long-term Suspension or Expulsion
- Suspension or Expulsion from the School Bus
- Referral to Law Enforcement or Juvenile Court Officials: Georgia law requires that certain acts of misconduct be referred to the appropriate law enforcement officials. The School will refer any act of misconduct to law enforcement officials when school officials determine such referral to be necessary or appropriate.

The maximum punishments for an offense include long-term suspension or expulsion, including permanent expulsion, but those punishments will be determined only by a disciplinary tribunal as outlined in the Houston County School District policies.

Disciplinary hearings shall be held no later than ten school days after the beginning of the student's suspension unless the school district and parents or guardians mutually agree to an extension.

Any teacher who is called as a witness by any person shall be given notice no later than three days prior to the hearing.

In the event a student or his/her parent/guardian does not wish to contest the charge(s) of violation(s) of the discipline rules of the school's Code of Conduct for which a tribunal has been requested, the student and parent may voluntarily accept the consequences recommended by the school by signing a Tribunal Waiver Agreement form. Such waiver shall specify an agreement to waive the opportunity to participate in a tribunal hearing, present evidence, cross examine witnesses, and be represented by an attorney. The decision to waive the tribunal shall be final and cannot be appealed by the school or family. The waiver must be signed by a parent/guardian and a school administrator.

Before a student is suspended for ten days or less, the principal or designee will inform the student of the offense for which the student is charged and allow the student to explain his or her behavior. If the student is suspended, the student's parents will be notified if possible. School officials may involve law enforcement officials when evidence surrounding a student's conduct necessitates police involvement or when there is a legal requirement that an incident be reported.

School officials may search a student if there is reasonable suspicion the student is in possession of an item that is illegal or against school rules. Students' vehicles brought on campus, student book bags, school lockers, desks and other school property are subject to inspection and search by school authorities at any time without further notice to students or parents. Students are required to cooperate if asked to open book bags, lockers or any vehicle brought on campus. Metal detectors and drug or weapon sniffing dogs may be utilized at school or at any school function, including activities, which occur outside normal school hours or off the school campus at the discretion of administrators.

#### **BUS MISBEHAVIOR**

(2) A meeting of the parent or guardian of the student and appropriate school district officials must be held to form a school bus behavior contract whenever:

- A student is found to have engaged in bullying; or
- A student is found to have engaged in physical assault or battery of another person on the school bus.

The school bus behavior contract shall provide for age-appropriate discipline, penalties, and restrictions for student misconduct on the bus. Provisions may include, but are not limited to, assigned seating, ongoing parental involvement, and suspension from riding the bus.

These provisions regarding use of a bus behavior contract are not to be construed to limit the instances when other code of conduct violations may require use of a student bus behavior contract.

(3) Students shall be prohibited from using any electronic devices during the operation of a school bus in a manner that might interfere with the school bus communication equipment or the school bus driver's operation of the school bus; and

(4) Students shall be prohibited from using mirrors, lasers, flash cameras, or any other lights or reflective devices in a manner that might interfere with the school bus driver's operation of the school bus.

### **STUDENT SUPPORT PROCESSES**

The Houston County School District provides a variety of resources that are available at every school within the district to help address student behavioral problems. The school discipline process will include appropriate consideration of support processes to help students resolve such problems.

### **PARENTAL INVOLVEMENT**

This Code of Conduct is based on the expectation that parents, guardians, teachers and school administrators will work together to improve and enhance student behavior and academic performance and will communicate freely their concerns about, and actions in response to, student behavior that detracts from the learning environment. School administrators recognize that two-way communications through personal contacts are extremely valuable; therefore, they provide information to parents as well as on-going opportunities for school personnel to hear parents' concerns and comments.

Parents and students should contact the principal of the school if specific questions arise related to the Code of Conduct.

The Code of Conduct specifies within its standards of behavior various violations of the Code which may result in a school staff member's request that a parent or guardian come to the school for a conference. Parents are encouraged to visit the schools upon request and are expected to be actively involved in the behavior support processes designed to promote positive choices and behavior.

Georgia law mandates that any time a teacher or principal identifies a student as a chronic disciplinary problem student, the principal shall notify by telephone call and by mail the student's parent or guardian of the disciplinary problem, invite the parent or guardian to observe the student in a classroom situation, and request at least one parent or guardian to attend a conference to devise a disciplinary and behavioral correction plan.

Georgia law also states that before any chronic disciplinary problem student is permitted to return to school from a suspension or expulsion, the school shall request by telephone call and by mail at least one parent or guardian to schedule and attend a conference to devise a disciplinary and behavioral correction plan and/or contract.

The law allows a local school district to petition the juvenile court to require a parent to attend a school conference. If the court finds that the parent or guardian has willfully and unreasonably failed to attend the conference requested by the principal pursuant to the laws cited above, the court may order the parent or guardian to attend such a conference, order the parent or guardian to participate in such programs or such treatment as the court deems appropriate to improve the student's behavior, or both. After notice and opportunity for hearing, the court may impose a fine, not to exceed \$500.00, on a parent or guardian who willfully disobeys an order of the court under this law.

This Conduct Code shall be strictly construed subject only to exceptions required by a State or Federal law applicable hereto, and exceptions made by a disciplinary tribunal on a case-by-case basis.

#### **STUDENT EXTRACURRICULAR ACTIVITIES NOTIFICATION**

Each school principal shall implement procedures to annually notify all parents or guardians of all school-sponsored extracurricular activities, organizations and clubs in which students may participate and of the right of the parent or guardian to prohibit their child's participation. Notification to parents and guardians shall be provided annually via the student handbook and shall include the name of the extracurricular activity, student organization or club; and information regarding the purpose, activities or national affiliation of the extracurricular activity, organization or club. Any membership or financial requirements for a student to join or become a member of the activity, organization or club shall be included in the information provided.

No student shall be allowed to participate in any school-sponsored extracurricular activity, organization or club if the student's parent or legal guardian has indicated in writing that the parent will not allow the student to participate and has provided a copy of such written notice to the school principal.

For school clubs formed after publication of the student handbook, parents or guardians must approve their student's participation via e-mail, fax or written permission to the school principal.

School extracurricular activities, organizations, or clubs for purposes of this policy are those that are supervised or sponsored by a school district employee designated by the principal, and that meet in school facilities.

### FITNESSGRAM ASSESSMENT in Physical Education (P.E.)

Dear Parent/Guardian,

As a part of the Georgia Student Health and Physical Education (GA SHAPE) initiative, all Houston County Public Schools (Grades 1-12) will participate in the required annual fitness assessment, the FITNESSGRAM. The FITNESSGRAM is a comprehensive fitness assessment for youth designed to assess cardiovascular fitness, muscular strength and endurance, flexibility, and body composition. The FITNESSGRAM is considered a quality fitness assessment for the following reasons:

1. FITNESSGRAM assessments use criterion-referenced standards. This means that a student can compare his/her scores with **standards that have been identified for good health**. This type of system prevents students from being compared to other students participating in the assessment.
2. FITNESSGRAM assesses the **current fitness level** of students and promotes individual goal setting to allow students to take ownership of their health.
3. FITNESSGRAM does **not** assess skill or athletic ability.

All students in grades 1-12 that are **enrolled in a P.E. class**, regardless of age, gender, or ability, will participate in the FITNESSGRAM assessment. Students are encouraged to be self-aware of their health related fitness and to take responsibility by setting personal fitness goals. When students focus on continually improving their fitness level, a positive lifelong impact can be achieved.

Please make sure that your child is appropriately dressed on fitness assessment days (comfortable pants or shorts, socks, and tennis shoes). Please **encourage** your child to participate with his/her best effort and to the **best** of his/her ability in each of the assessment components. Students in grades 1-3 will participate in Height and Weight measures and will begin learning the language and techniques of the other components. Students in grades 4-12 should be prepared to participate in the following components: 1. PACER or One-Mile Run, 2) Curl-Ups, 3) Push-Ups, 4) Back-Saver Sit and Reach, and 5) Height/Weight measures. *An additional assessment item, the **Trunk Lift**, may be offered to students seeking the Governor's Fitness Award. Students must score in the Healthy Fitness Zones on a total of 5 items for this award.*

A confidential FITNESSGRAM report that will include your child's scores as well as Healthy Fitness Zone information will be **provided via email** for each student at the end of the year or at the end of his/her first P.E. course during that year. The Healthy Fitness Zones represent the levels of fitness identified by research for good health. The information on this private report will not be displayed or made public. (Parents may request a hard copy of their child's report from the P.E. teacher.)

For more information regarding the FITNESS assessment, please refer to the HCSD Health and P.E. webpage at

<https://houstoncountys.schoolinsites.com/healthandpe>. . If you have any other questions, please contact your school's physical education teacher.
