LISTSERV: EXCEPTIONAL CHILDREN INFORMATION FOR PARENTS

The Exceptional Children Division (ECD) at the North Carolina Department of Public Instruction is pleased to announce a communication tool for parents to receive information from the Division. A new listserv, Exceptional Children Information for Parents, has been developed as a method to ensure parents have access to the work of the Division. When applicable, the communication from the division will also offer opportunity for parents to provide feedback in a systematic way.

This listserv is available to anyone who wishes to receive information. The attached document provides directions on how to sign up for the listserv. The ECD would like to ask that you share this information with your parent groups, listservs, councils, etc. and disseminate as appropriate to make parents across the state aware of this resource.

Thank you for continuing to support the work of the Division and for all students with disabilities in NC. Questions regarding this listserv may be directed to Matt.Hoskins@dpi.nc.gov or Sherry.Thomas@dpi.nc.gov.
