DATE ADOPTED: JANUARY 2017

FEDERAL PROGRAMS - GRANT SUBRECIPIENT

DEFINITION

For purposes of policies and procedures related to federal programs, the following definitions shall apply:

Contract – a legal instrument by which a non-federal entity purchases property or services needed to carry out the project or program under a federal award. The term as used here does not include a legal instrument, even if the entity considers it a contract, when the substance of the transaction meets the definition of a federal program award or subaward. (2 CFR 200.22)

Contractor – an entity that receives a contract, as defined in law and regulations, by which a non-federal entity purchases property or services needed to carry out the project or program under a federal award. (2 CFR 200.23)

Pass-through entity – a non-federal entity that provides a subaward to a subrecipient to carry out part of a federal program. The district serves as the pass-through entity in cases where it awards federal funding to a subrecipient as defined in this procedure. (2 CFR 200.74)

Subaward – an award provided by a pass-through entity to a subrecipient in order to carry out part of a federal award received by the pass-through entity. It does not include payments to a contractor or payments to an individual that is a beneficiary of a federal program. A subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract. (2 CFR 200.92)

Subrecipient – a non-federal entity that receives a subaward to carry out part of a federal program; but does not include an individual that is a beneficiary of such program. (A subrecipient may also be a recipient of other federal awards directly from a federal awarding agency.) (2 CFR 200.93)

AUTHORITY

DELEGATION OF RESPONSIBILITY

Subrecipient Versus Contractor

SVRCS must determine, on a case-by-case basis, whether an entity receiving funds from the district as part of a federal funding program serves in a role of subrecipient or contractor. (2 CFR 200.330)

The CEO shall be responsible for analyzing the criteria listed in the chart below and evaluating the relationship with the entity based on the substance of the legal agreement, rather than the form of the agreement. The CEO may consult with the school solicitor or other qualified counsel in making such determination.

Is responsible for adherence to applicable Federal program requirements specified in the Federal award; and	Provides goods or services that are ancillary to the operation of the Federal program; and
In accordance with its agreement, uses the Federal funds to carry out a program for a public purpose specified in authorizing statute, as opposed to providing goods or services for the benefit of the pass-through entity (PTE)	Is not subject to compliance requirements of the Federal program as a result of the agreement, though similar requirements may apply for other reasons

SVRCS shall notify subrecipients that they have been identified as a subrecipient and that the funding qualifies as a subaward. SVRCS shall provide the subrecipient with the following information as specified at 2 CFR Sec. 200.331(a) regarding the federal funding award, and any subsequent changes:

Evaluation of Risk

SVRCS shall evaluate each sub recipient's risk of noncompliance with law, regulations and the terms and conditions of the sub award to determine appropriate monitoring practices. (2 CFR 200.331)

The CEO or designee shall be responsible for evaluating risk based on the following factors:

1. The sub recipient's prior experience with the same or similar sub awards;
2. The results of previous audits, including whether the sub recipient receives a single audit and the extent to which the same or similar sub award has been audited;
3. Whether the sub recipient has new personnel, or new or substantially changed systems and processes;

Follow-Up Actions –

The CEO or designee shall provide sub recipients with written documentation detailing their monitoring results and listing any identified deficiencies. SVRCS shall consider whether the results of monitoring indicate the need to revise existing district policy and procedures. (2 CFR 200.331)

SVRCS shall require sub recipients to take immediate action on issues involving ineligible or illegal use of federal funding, and notify the district of corrective action taken.

SVRCS shall require sub recipients to develop a corrective action plan to address other identified deficiencies or noncompliance issues; such plan shall be submitted to the district as specified in the agreed-upon procedures, and SVRCS shall evaluate and monitor the activities taken by the sub recipient under the corrective action plan. SVRCS may provide technical assistance and/or training to sub recipients in complying with corrective action requirements.

The CEO or designee shall maintain all documentation on monitoring of sub recipients and corrective action taken during the monitoring process.
