JANUARY 2021

COLD WEATHER IS UPON US!

Snow Days: In the event of a snow day and it's **NOT SAFE** to travel to school, we are fortunate this year that we do not have to stop learning! We can easily pivot and transition over to distance learning for all students.

What to do: In the event of a snow day, we ask that students check their Google Classroom and/or email to get instructions from the teacher(s) on the lessons for the day at 10:00 AM. Since teachers will also be at home, we ask that you message through Google Classroom or email teachers with any questions you might have about the work assigned. In addition, breakfast/lunches will not be delivered on snow days. We know that having school on a snow day can seem like a bummer, but it is a great thing! Students don't miss out on their learning AND we won't have any snow make-up days! This means we will not have to extend out our school year to make up those days!

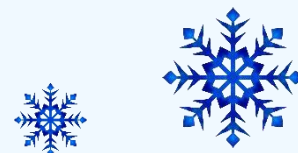

Warm Clothing: Parents, please make sure your child comes to school with a warm coat during the winter months. An umbrella to keep at school may also be a good idea. We go outside daily, rain or shine, for walks/mask breaks.

In the event of snow and it's **SAFE** to travel to school, we will not service the following roads:

Kobe Rd
Wells Rd

Katula Rd
Jones Rd

Toelpelt Rd
Chandler Rd

You have the option to meet the bus at the Dryad Fire Hall or Elk Creek/Chandler crossroads.

HIGH SCHOOL ASB PROJECT

The High School ASB team is working on a project to upgrade the weight room and fitness center. If you have ideas or resources to help with this project, please contact Stasha Magruder at 360-291-3244 x 1020.

STUDENT ARRIVAL

Students walking, being dropped off, or driving to school, are to use the front entrance from 7:55 until 8:20. After that, they will be locked, so please bring students to the Cafeteria entrance to be buzzed in.

TEACHER EARNS NATIONAL CERTIFICATION

Congratulations to Mrs. Schimelpfenig! She completed her teacher National Board Certification. To get this certification, you have to go through a rigorous process of reflecting on your teaching practices and meeting challenging standards of instruction. It is the most respected professional certification available in education that recognizes accomplished teachers and assists in generating ongoing improvement in their individual instruction. Nicely done on this intense process!
