

Math 1 Syllabus

Dear Parents/Guardian:

Welcome to Math 1. The following syllabus explains how your child's grade will be determined in Math 1 this semester. If you have any questions or concerns, please call 861-6870 or email dhall@randolph.k12.nc.us. I hope it's a great semester for your child. Thank you. D. Hall

Materials: **3 Ring Notebook (at least 1.5 inches)**
 Notebook paper
 Pencils

Grading: **Tests** **30%**
 Quizzes **25%**
 Classwork **25%**
 Homework **20%**

Attendance: The Randolph County School Board Policy states that each student is allowed 5 absences per semester. After 5 absences, your child may not receive credit for the course. Good attendance is mandatory for success in this class.

Cell Phones: Cell phones are a big distraction in a classroom. Your child will be given a warning on the first class day about cell phone usage in class. On the next offense, I confiscate the phone and turn it into the office.

Exam: This class has a required state exam regardless of grades or attendance. In order to receive credit for the class, your child must reach proficient on the state exam. I have high expectations of your child and we will work together to attain success.

Classroom Needs: Donations to the class will be greatly appreciated. We can always use:
Glue Sticks, Kleenex, Cleaning wipes and copy paper

Please sign and return. Thank you.
