

SUPPLY LIST

For this school year, I ask that all students please bring the following items. If you feel that some items are out of the norm for a classroom, please remember your child engages in a Life Skills curriculum. Meaning we do not just focus on just academics. Your child will be participating in various cooking activities and other life skills activities throughout the year. In addition, **each student will need to bring a book bag with them daily to carry home their items.** If you are having difficulty acquiring a book bag, please feel free to contact me. As always, I very much appreciate you supplying your child with the tools they will need to have a successful school year.

** If your child needs any personal care items (diapers, wipes, feminine products, etc.) please send them in with your child. They will be given a cabinet within the classroom to keep their items. **
