## Principal's Corner

### **Bulldog Nation:**

Welcome Back! I hope that all of you had a very wonderful holiday season. The 2016- 2017 school year has been exciting and challenging. It has been a pleasure to serve as principal of Ruleville Middle School.

This year, as in the past we must focus on academic achievement: assess where we are to determine what we need to do to improve. We must focus on the needs of every child, enhance their strengths and improve their weakness. There is a special kind of joy and exhilaration that comes from planning lessons and activities for students to help them grow academically. During the upcoming month's we will be adjusting student schedules to meet their academic needs.

Together we will celebrate our successes and work diligently to overcome our obstacles. Let's make this school year great for the students we serve at Ruleville Middle School.

Educationally,
