CASE Benchmark Assessments**

Please complete this form to communicate to the CASE Assessments team which content to include on each of your district's benchmarks.

*District or School:* Fifth Street

NOTE: Checking a standard signifies that the standard is to be assessed in its entirety. Since benchmarks are cumulative (testing curriculum taught from the beginning of the course), any standard checked for a benchmark can be assessed on all subsequent benchmarks.

In order to create balanced assessments that fully reflect the course material, CASE recommends customers select between 6-12 new standards per benchmark.

*Any requested changes to the checklist after it has been submitted to CASE may be subject to additional charges and/or adjustment of original test delivery schedule.*
