There will be a special meeting of the New Milford Board of Education at 4:00 on the afternoon of Thursday, November 12, 2015, at the New Milford Board of Education, 50 East Street, New Milford, Connecticut, for the purpose of conducting a 4:00 student transportation hearing followed at 5:00 by an unrelated student expulsion hearing. It is anticipated that at the November 12 meeting, the Board panel presiding over the respective hearings will move each hearing into executive session during which matters concerning the personal privacy of the relevant students are likely to be discussed. Should the parents of either student request that their particular hearing be held in public session, the Board will do so unless the Board determines that an open session will implicate the confidentiality and personal privacy of other New Milford Public School students. The Board may take action upon its return to open session following each hearing.
