Can my child go to school today? (Answer the 3 questions in the blue boxes.)

- Do you believe your child may have been in contact with an individual who tested positive for COVID-19?
  - YES: Stay at home. Inform the school. Call your healthcare provider. Student must stay home for 14 days from date of last contact with positive individual.
  - NO: Come to school.

- Is your child ill with cold/flu-like symptoms? (runny nose, congestion, sore throat, persistent cough, difficulty breathing, headache, chills, loss of taste/smell, significant muscle pain/aches, diarrhea, or vomiting)
  - YES: Stay at home. Inform the school. Rest and recover. Call your healthcare provider if symptoms worsen.
  - NO: Come to school. If your child has not been absent for illness, they may go directly to class.

- Does your child have a fever of 100.0°F or higher?
  - YES: Stay at home. Inform the school. Rest and recover. Call your healthcare provider if symptoms worsen.
  - NO: Come to school. If your child has not been absent for illness, they may go directly to class.

RETURN-TO-SCHOOL CRITERIA:
If your child has fever or other symptoms that could be from COVID-19 and does not get tested OR is not cleared by their healthcare provider, it is assumed the child has COVID-19 and may not return to school until the following 3 criteria are met:
1. Has been fever free for 24 hours without the use of medication
2. AND child has improved symptoms,
3. AND at least 10 days have passed since symptoms first appeared.

Has your child been fever free without medication for 24 hours AND were they seen by their healthcare provider and diagnosed with something other than COVID-19?
- YES: Come to school.
  - NO: Give the school nurse the healthcare provider note for return to school.

Follow Return-to-School Criteria.

* Notify the school if your child tests positive and follow the Return-to-School criteria before returning to school.
