

High School Graduation Requirement

Did you know that students MUST complete a pathway in order to graduate from high school? This means that they must successfully take and pass three courses in a specific pathway in order to graduate. Choosing a pathway is important for graduation. See your guidance counselor to make sure you are on track to graduate.

Pathways and courses offered at Randolph Clay High School are listed below. Each course must be taken in sequential order to advance to the next course.

- Via dual enrollment complete two Technical Certificates of Credit (TCC) in one pathway, earning a Technical College Diploma, or earning an Associate's Degree (Option B requirements)

Dr. Tangela Madge Superintendent

Dr. Kimberly Ingram, Principal

Temeisha Moore, CTAE Director

Marketing & Management

Ask about **DECA**

Marketing - Learn the basics of how businesses market their products, from marketing research, product development to advertising. Marketing students are DECA members too!

Agriculture

Ask about **FFA**

Plant and Landscape Systems- Learn the fundamental computer skills for any business environment, while obtaining respected Microsoft Certifications.

Forestry/Natural Resources-The natural resources systems pathway includes occupations that develop, use, maintain, manage, and analyze natural resources. Includes catching and trapping various types of marine life. Work might relate to recreation, wildlife, conservation, mining, logging, or oil drilling.

Graphic Communications

Ask about **SkillsUSA**

Graphic Design - Visuals and advertising are essential in our world. Learn how to alter your photos and improve projects while learning career skills & industry software (Adobe Photoshop, Illustrator, InDesign) used in advertising, web design, and animation.

Teaching as a Profession

Ask about **FCCLA**

Teaching as a Profession - In the **Teaching as a Profession Pathway**, you will be an active participant in the learning process as you explore what it means to be an effective and inspiring **teacher**. It is imperative that you understand that learning should be fun, creative, and rigorous; therefore we practice that in our own classroom

Work Based Learning

Connect a career with academics!! WBL offers students who are at least 16 years old to leave school early to participate in a job placement or internship to help them develop employability skills in a desired industry
