

REMEMBER TO USE THE 5 S's !!!!!

1. **Stop**

It is essential to **stop** any negative comments about our schools in public. This is so important in our small community.

2. **Shift**

This emphasizes the necessity of **shifting** from the negative to the positive.

3. **Share**

We have so many success stories taking place in each of our schools, so we must **share** the positive!

4. **Sustain**

Once you start, keep it up! **Sustain** your efforts.

5. **Start**

Let's accept the challenge to **start** right now.
