THANK YOU

Edward W. Bok Academy & Bok North would like to take this opportunity to thank the community for the overwhelming support over the past eleven years. In particular, we would like to thank our **Bok Partners** for their generous donations. Thus far, we have received over \$12,000 in kind donations. These monies provide learning opportunities for our students. Bok Academy is focused on enhancing the classroom experience ensuring every student achieves his or her potential in the classroom. We are very excited about our pursuit of excellence in education.
