PREAMBLE

THIS AGREEMENT, entered into this first day of July 2020, by and between the SEASIDE EDUCATION ASSOCIATION, hereinafter called the "Association", and SCHOOL DISTRICT NO. 10, CLATSOP COUNTY, OREGON, hereinafter called the "District."

WITNESSETH:

WHEREAS, the parties have reached certain understandings which they desire to confirm in this Agreement,

IN CONSIDERATION of the following mutual covenants, it is hereby agreed as follows:

ARTICLE 1 - RECOGNITION

- A. The District recognizes the Association as the exclusive bargaining representative with respect to wages, hours and conditions of employment for all regular full time and regular part time (0.5 Full Time or more Equivalent FTE) licensed teaching personnel and TSPC licensed school nurse employed by the District.
- B. The term "teacher," when used hereinafter, shall refer to all professional employees represented by the Association in the bargaining or negotiating unit as above defined and references to male teachers shall include female teachers.

ARTICLE 2 - NEGOTIATIONS PROCEDURE

- A. Prior to the expiration of the contract, the District agrees to schedule a date to enter into negotiations with the Association over a successor agreement in accordance with the procedures set forth herein in a good faith effort to reach agreement concerning teachers' wages, hours and conditions of employment. Any agreement so negotiated shall be submitted for ratification and, if approved, reduced to writing and signed by the District and the Association.
- B. This Agreement shall not be modified in whole or in part by the parties except by an instrument in writing duly executed by both parties.

ARTICLE 3 - GRIEVANCE PROCEDURE

- A. **Definitions.**
 - 1. "Grievance" shall mean a complaint by an employee or group of employees that there has been to him (or them) a violation or inequitable application of any provisions of this Agreement.
 - 2. "Aggrieved" is the person or persons or the Association who has the grievance and is presenting the complaint, also referred to as the complainant.
 - 3. The "party in interest" is either the person or persons making the complaint or the person or persons against whom the complaint is made.
 - 4. "Representative" is the one who may speak for and/or advise the aggrieved.

5. "Immediate supervisor" is the one who has direct administrative or supervisory responsibilities over the aggrieved in the area of grievance.
 6. "Days" shall mean working school days. Weekend and/or vacation days are thus excluded.
 7. "Persons officially involved" means the Superintendent, his representative and/or consultant, and witnesses.
 8. "Association" shall mean any organization representing the certificated personnel which has been elected by a majority vote of the respective employees.
 9. "Binding arbitration" is the decision by the arbiter which requires compliance by both parties in interest. Arbitration shall be conducted in accordance with the Voluntary Labor Arbitration Rules of the American Arbitration Association in effect at that time.
- B. **Purpose.** The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may from time to time arise affecting teachers.
- C. **Procedure.** Grievances will be processed in the following manner and within the stated time limits:

Step 1: An aggrieved teacher shall promptly attempt to resolve the grievance informally with the principal. If the grievance is not resolved informally within five days after presentation of the complaint, it shall be reduced to writing by the teacher who shall submit it to the principal. If a teacher does not initiate his grievance to the principal in accordance with this Step 1 within 15 days after the facts upon which the grievance is based first become known to the teacher, the grievance will be deemed waived.

The principal will reply in writing to the teacher within five school days after receipt of the written grievance.

Step 2: If the grievance is not settled in Step 1 and the teacher wishes to appeal the grievance to Step 2, the teacher may file the grievance in writing to the Superintendent within five school days after receipt of the principal's written answer. The written grievance shall give a clear and concise statement of the alleged grievance, including the fact upon which the grievance is based, the issues involved, the agreement provisions involved and the relief sought. Within five days after receipt of the written grievance, the Superintendent or his representative shall thoroughly review the grievance, arrange for necessary discussions with the aggrieved and his representative and give a written answer to the teacher no later than ten school days after receipt of the written grievance.

If the grievant is not satisfied with the decision of the Superintendent, a written appeal may be filed with the Superintendent within five days from the receipt of his decision. The grievance shall then move to Step 3.

Step 3: Within five days of the Superintendent's receipt of the appeal, the School District Board of Directors will notify all official parties of a hearing to be held within ten days of the receipt of the appeal. The Board of Directors shall hear arguments of the Superintendent and the aggrieved.

Within five days following the hearing, the School District Board of Directors shall render a decision in writing to all official parties.

Step 4 - Arbitration

1. If the grievant is not satisfied with the disposition of the grievance at Step 3, the Association may, by written notice to the Superintendent within ten days, submit the grievance to binding arbitration. The arbitration will be conducted in accordance with the Voluntary Labor Arbitration Rules of the American Arbitration Association in effect at the time (hereinafter referred to as the "AAA Rules").
2. Within ten days after written notice of submission to arbitration, the Superintendent and the Association shall attempt to agree upon a mutually acceptable arbitrator and to obtain a commitment from such arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the ten-day period, a request for a list of arbitrators may be made to the Employment Relations Board by either party. The parties shall then be bound by the AAA Rules in the selection of an arbitrator.
3. The arbitrator so selected shall confer with the representative of the Association and the Superintendent and hold hearings promptly, and shall issue his decision not later than 20 days from the date of the close of the hearings or, if oral hearings have been waived, from the date the final statements and proofs are submitted to him. The arbitrator's decision shall be in writing and shall set forth his findings of fact, reasoning and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law or which violates the terms of this Agreement. The decision of the arbitrator shall be submitted to the Board and the Association and shall be final and binding upon all parties.

D. Miscellaneous Provisions.

1. The aggrieved teacher may have representation at any formal step of the procedure and have an SEA witness present at any step.
2. Grievance meetings and hearings will be closed, unless mutually agreed.
3. Grievance material will be filed separately from the teacher's personnel file. All charges resulting in disciplinary action will be considered a permanent part of the teacher's personnel file and shall not be removed.
4. Any information, material or testimony of witnesses not previously made known to each party during Steps 1, 2 or 3 may not be used in Step 4.
5. Each party shall bear all costs of producing their own witnesses, preparation of exhibits and other materials to include the production or a record or transcript of the proceeding, unless such record or transcript is desired by both parties. The fee and expenses of the arbitrator and the cost of the hearing room shall be borne equally by both parties.
6. No grievance shall be resolved contrary to the terms and provisions of this Agreement without the written consent of the Association.

ARTICLE 4 - RIGHTS OF PROFESSIONAL EMPLOYEES

- A. **Organizing.** Teachers shall have the right to organize, join and assist the Association, to participate in professional negotiations with the District through representatives of their own

choosing and to engage in other activities, individually or in concert, for the purpose of establishing, maintaining, protecting or improving conditions of professional service and the quality of the educational program.

- B. **Required Meetings or Hearings.** Whenever any professional employee is required to appear before the Superintendent, building principal, school district board or any committee or member thereof concerning any matter which could adversely affect the continuation of that employee in his office, position or employment, he shall be given prior notice of the reasons for the meeting and shall be entitled to have representation of his choosing at that meeting.
- C. **Evaluation of Students.** The teacher shall have the authority and responsibility to determine grades and other evaluations of the students. No grade or evaluation shall be changed without consultation with the teacher except when such consultation is not practicable because of the absence of one or both parties. If the teacher does not agree with such change, the decision may be appealed directly to the Superintendent. When the administration makes a grade change over the objection of the teacher, he will place a written statement to that effect in the student's file.
- D. **Criticism of Teachers.** Any question or criticism by a supervisor, administrator or school board member of a teacher shall be made in confidence and not in the presence of students, other teachers, parents or at public gatherings.
- E. **Criticism of Administration.** Any criticism by a teacher of an administrator, school board member or other staff members shall be made in confidence and not in the presence of students, parents or at public gatherings.
- F. **Association Identification.** No teacher shall be prevented from wearing pins or other identification of membership in the Association or its affiliates.
- G. **Personnel Files.**
 - 1. Teachers shall have the right, upon request, to review the contents of their personnel file. This file shall contain all materials relevant to the teacher's employment and shall be the sole repository of such materials.
 - 2. No materials derogatory to a teacher's conduct, service, character or personality shall be placed in the personnel file unless the teacher has had the opportunity to review such materials by affixing his signature to the copy filed, with the express understanding that such signature in no way indicates agreement with the contents thereof. The teacher shall have the right to submit a written answer to such materials and attach it to the file copy. In the event the teacher believes the materials to be inaccurate or untrue, he may grieve the matter through Step 3 of the grievance procedure. Pursuant to ORS 342.850(7), however, any charges resulting in disciplinary action shall remain as a permanent part of the personnel file and shall not be removed for any reason, except by court order or if an arbitrator rules that the materials were not appropriately categorized as disciplinary.
 - 3. Evidence not previously recorded in the teacher's personnel file prior to the notification of a demotion, disciplinary action or other involuntary change in employment status shall not be used by the Board as a basis for its action.
- H. **Discipline.** No teacher will be disciplined without:

1. Giving the teacher forewarning of the possible disciplinary consequences of the teacher's conduct;
2. Determining whether the teacher violated or disobeyed a rule or order;
3. Giving the teacher an opportunity to respond to the charge(s).

This article does not apply to the dismissal of contract or probationary teachers or the non-renewal of probationary teacher contracts (such matters are excluded because they are governed by the Fair Dismissal Law), nor does it apply to assignment or to retention in extended duty assignment(s).

ARTICLE 5 - WORK YEAR

The school year shall not exceed 190 days, including five paid holidays. The five paid holidays are: Labor Day, Veterans' Day, Thanksgiving Day, Presidents' Day and Memorial Day.

ARTICLE 6 - TEACHER WORK DAY

- A. **Length of Day.** Regular building hours for teachers shall be eight hours, including a 30-minute, duty-free lunch period. Teacher starting and release times may vary depending on building and program hours. Full time teachers shall be on duty or available on the school site or site otherwise designated by the principal or immediate supervisor for such period of time on days teachers are to report to work.

Teachers with the approval of the building principal will have their regular building hours adjusted by the building principal in order to conform to the eight-hour day.

- B. The District agrees to provide the following:

1. Full time elementary teachers each day shall have for use for preparation time a 30-minute uninterrupted block of time free of classroom and supervisory responsibilities. In addition, such teachers shall not regularly be required to be with their students when instruction or supervision is being provided by other certified personnel.
2. Full time middle school and high school teachers each day shall have for use for preparation time one instructional period free of classroom and supervisory responsibilities. When using a block schedule, one-half of a block period would be guaranteed for preparation time.
3. No teacher shall be required to give up more than one preparation period in any given week, except in case of emergency.
4. The Special Education Administrator and the Special Education Teacher will work cooperatively to reach Special Education workload decisions that are in the best interests of students, employees and sound educational practice. The Special Education Administrator shall develop a plan with the teacher to provide additional resources, help, time, or other assistance in recognition of special education caseload issues.

- C. **Staff Meetings.**

1. Teachers may be required to attend staff meetings on a regularly scheduled basis. Staff meetings will be scheduled in a manner not to exceed one per week of generally one hour's duration except in cases of emergency or unusual circumstances which would merit variation to such practice. The District agrees to allow teachers to leave the school building

on Fridays one half hour early as compensation for time spent beyond building hours or for a loss of individual professional activities time due to attendance at required staff meetings.

2. Teachers shall attend District staff meetings outside of building hours when and as required by the Superintendent, not to exceed two district meetings per year.
- D. Teachers may be required to attend one regularly scheduled PTO meeting per school year. Teachers may be required to attend up to three open houses or other school events per school year. The administration shall be reasonable in requests for teacher participation and shall provide adequate notice regarding required attendance at such meetings and activities.
- E. **Attendance - Inclement Weather.** Teacher attendance shall not be required when all students in their respective buildings are excused because of inclement weather or unforeseen circumstance, but days must be made up if an extended school year is necessary.

ARTICLE 7 - VACANCIES, PROMOTIONS AND TRANSFERS

A. Voluntary Transfer.

- a. Staff members wishing to transfer must notify the Superintendent. Request for transfer initiated by teachers shall be made in writing and must be signed by the teacher and principal.
- b. As positions become available, they will be advertised to the present teaching staff. Five working days after the position has been advertised to the present staff, it will then be advertised to other applicants.
- c. As vacancies become known during the summer, the Superintendent will notify the Association.

B. Involuntary Transfer.

1. Any impending involuntary transfer of personnel shall be fully discussed by the administration and the teacher.
2. Teachers being involuntarily transferred may request the current vacancy list and will be able to apply for such positions.

- C. **Miscellaneous Provisions.** Any teacher who shall be transferred to an administrative or executive position and shall later return to teacher status shall be entitled to retain such rights as he may have had under this Agreement prior to such transfer.

ARTICLE 8 - TEACHER ASSIGNMENT

- A. If conditions necessitate reassignment of any teacher after June 30, the teacher shall be notified by personal interview or certified mail as soon as practicable.
- B. If the teacher is assigned outside his major or minor field and if the reassignment involves any special training required by the District, the District shall pay the cost as outlined in Article 13 of this Agreement.
- C. **Traveling Teacher Assignments.** The District will assign the teacher to a specific building as a home base. The District will designate one administrator for goal setting and evaluation. Other building administrators may also contribute to the evaluations. The teacher shall attend required open house, programs, and faculty meetings for the designated home base. Parent conference time will be split equitably. Any meetings required at the non-home base assignment(s), shall be appropriately scheduled by the administrators in a spirit of cooperation that results in no net increase in required meetings.

ARTICLE 9 - LAYOFF AND RECALL

- A. The District retains the right to determine when a layoff is necessary. In the event that the District mandates a layoff, the layoff procedure will be carried out pursuant to ORS 342.934. The District will attempt to give notice to affected teachers 30 calendar days prior to the effective date of their layoff.
- B. **ORS 342.934.**
 - 1. The procedure for reduction in probationary and contract teacher staff resulting from the lack of funds to continue the educational program at its anticipated level or resulting from the District's elimination or adjustment of classes due to administrative decisions shall be as provided in this section. However, nothing in this section is intended to interfere with the right of a fair dismissal district to discharge a contract teacher or discharge, remove or fail to renew the contract of a probationary teacher.
 - 2. The District shall make every reasonable effort to:
 - a. When possible, use normal attrition;
 - b. Transfer teachers of courses scheduled for discontinuation to other positions for which they are qualified;
 - c. Combine positions in a manner which allows teachers to remain qualified so long as the combined positions meet the curriculum needs of the District and the competence consideration specified in subsection 4 of this section.
 - 3. In determining teachers to be retained when the District reduces its staff under this section, the District shall:
 - a. Determine whether teachers to be retained hold proper licenses to fill the remaining positions;

- b. Determine seniority of teachers to be retained, based on the first day of actual service with the District;
 - c. Determine competence of teachers under subsection 4 of this section.
4. If the District desires to retain a teacher with less seniority than a teacher being released under this section, the District shall determine that the teacher being retained has more competence than the teacher with more seniority who is being released. For purposes of this Article, competence is defined as the ability to teach a subject or grade level based on recent teaching experience related to that subject or grade level within the last five years, or educational attainments, or both, but not based solely on being licensed to teach.
- The District may consider a teacher's willingness to undergo additional training or pursue additional education in deciding upon questions of competence.
5. An appeal from a decision on reduction in staff or recall under this section shall be by arbitration.
- C. **Recall.** A teacher who is laid off will remain on the recall list and be eligible for recall for 27 months subsequent to the effective date of the layoff. As teaching positions for which laid-off teachers are qualified become available in the District, which the District wishes to fill, the following procedure shall be utilized:
- 1. The District shall notify laid-off teachers of a position opening by registered letter, return receipt requested, at their address of record as maintained in the superintendent's office. It shall be the responsibility of the teacher to make certain the address is correct and that the District is notified of any changes. Laid-off employees shall have seven calendar days from the date of receipt or return of such notification in which to indicate their acceptance or rejection of the position and an additional 30 days, or more at the option of the District, in which to begin active employment.
 - 2. After 27 months on the recall list, or if the teacher cannot be reached at his/her last known address (when the registered letter sent to the teacher's address of record has been returned to the District), or if the teacher rejects any position offered to him/her for which he/she is qualified at his/her previous FTE, he/she shall forfeit all reemployment rights, shall be considered to have resigned and the teacher's name shall be removed from the recall list.
 - 3. Teachers who wish to waive reemployment rights prior to 27 months subsequent to the effective date of a layoff may do so by written notification to the District. Such shall be considered a voluntary resignation and the teacher shall forfeit all employment rights with the District.
 - 4. Teachers returning from layoff shall be credited with all seniority and sick leave earned prior to the effective date of the layoff, but shall not accrue leave or benefits for the period of the layoff.
 - 5. All District benefits to which a teacher was entitled at the time of layoff, including unused accumulated sick leave, will be restored to the teacher upon the teacher's return to active employment, and the teacher will be placed on the proper step of the salary schedule for teacher's current position according to the teacher's experience and education.

6. A teacher who has been laid off may continue his/her health insurance program at his/her own expense for up to 18 months, subject to the approval and rules of the insurance carrier(s).

ARTICLE 10 - COMPLAINT PROCEDURE

- A. If a complaint is made by a parent, student or other member of the community against a specific teacher, either to the Board, a Board member or an administrator, the complainant will be asked to present his/her complaint in writing over his/her signature. If he/she is unwilling to do so, then the official receiving the complaint may record it over his own signature if he feels the complaint may have some validity and it cannot be handled directly with the complainant to the latter's satisfaction. Failure to submit a signed, written complaint will result in the matter being officially dropped, and the claim may not be used at a later date.
- B. The signed complaint will be filed with the Superintendent or his designee and within five days thereafter, the Superintendent or the principal will discuss the complaint with the teacher in an effort to reach a mutual agreement as to the validity of the complaint and any corrective action that should be taken.
- C. If the complaint is not satisfactorily settled in the above manner, the Superintendent or his designee may give, or the teacher may request, a written statement of the complaint and the corrective action or improvement recommended. Such statement will be furnished to the teacher, if requested, within five days of the request. The teacher has the option of complying with the recommended action or, if the action is unjust, the teacher may appeal through the grievance procedure. The teacher shall notify his supervisor within five days of receiving the statement of complaint and recommended action of his intention to comply or will initiate his grievance appeal within this time.
- D. No record of any complaint which has been investigated and determined to be unfounded shall be placed in the teacher's file, nor shall the complaint be used as a basis for any subsequent disciplinary action.

ARTICLE 11 - PAID LEAVES OF ABSENCE

- A. **Sick Leave.** Every teacher holding a regular full time position in the District shall be eligible for sick leave benefits of ten days a year, accumulative to an unlimited number of days. For staff not working a full school year, sick leave will be pro-rated at the rate of one day per month employed. Sick leave may be taken for absence due to illness of dependent children living in the home of the employee for up to five (5) days per year.

Teachers new to the District and transferring from other Oregon districts are entitled to sick leave credit accumulated in prior years after the teacher has completed 30 days in this District. The teacher may take up to 75 days sick leave accumulated in other Oregon districts.

Accumulated unused sick leave at retirement may be applied consistent with state law.

- B. **Sick Leave Bank.**

1. **Purpose.** The purpose of the Sick Leave Bank shall be to extend to those sick leave bank members additional sick leave days should an illness or injury cause a member to exhaust his/her accumulative sick leave days.

2. Structure.

- a. The governing body shall be composed of two Association members and two administrators.
- b. Members of this governing body shall be appointed by the group they represent.
- c. Appointment by September 30 of each year.

3. Function.

- a. The governing body shall make the decision to award or to deny a member additional sick leave days from the bank.
- b. The governing body shall have the right to terminate the use of sick leave days from the member should an investigation show misuse on the part of the member.
- c. Set procedure.

4. Membership.

- a. Membership can only be obtained between Labor Day and September 30 of the same year, with the exception of those employees who start their employment with the District at some time other than the beginning of the school year. These people would be eligible during their first 30 days of employment. Employees who do not contribute to PERS/OPSRP shall be ineligible for this article.
- b. Membership shall be effective immediately upon joining and be effective until termination.
- c. Each potential member will be notified that the donated sick leave days become ineligible for use in figuring the PERS retirement formula. To join, each member must donate two days of sick leave the first year and one day each successive year of membership. Contract part time employees who are at least half time employees will contribute in the same ratio as their work days. A half time employee would be contributing two half days and would contribute one half day per year.
- d. When an employee has contributed the total number of five days to the Sick Leave Bank, he/she shall then become a permanent life member of the bank. No further days need be contributed by life members unless the Sick Leave Bank reserve falls below 100 days, at which time each life member named will be assessed one day of sick leave for that year.
- e. Termination of membership shall be by:
 - 1. Written request of member to be terminated;
 - 2. End of employment with the District;
 - 3. Termination by governing body under Article 11, Section B3, Item b.
- f. Should membership be terminated, previously donated days shall remain in the bank.
- g. Termination of membership shall be effective June 30 of the school calendar year. Termination under Article B, Section 3, Item b shall be immediate following decision by the governing body.

- C. **Bereavement Leave.** Up to three days shall be granted for bereavement leave for each occurrence of death in the family. A family member is defined as mother, father, mother-in-law, father-in-law, brother, sister, husband, wife, child, stepchild, grandchild or grandparent, or others as defined by the Family Medical Leave Act or as approved by the Superintendent.
- D. **Funeral Leave.** Funeral Leave. When an employee serves as a pallbearer or in some other way participates in a funeral ceremony, he will be granted time off to perform such duty up to but not to exceed one day. Up to one day will be granted for the funeral of an aunt, uncle, son-in-law, daughter-in-law, brother-in-law, sister-in-law, grandparent of employee's spouse. Additional time may be granted at the discretion of the Superintendent.
- E. **Personal Leave.** Three days each year may be used by full time certificated employees in situations which require absence during work hours for purposes of attending to personal business or family matters. The conditions for granting personal leave are as follows:

1. In recognition of the difference in staff size in the District, the building principal will approve personal leave according to the following schedule:

Pacific Ridge Elementary----- four per day
Seaside Middle School-----two per day
Seaside High School-----two per day

The building principal has discretion to vary this schedule under emergency conditions.

Unused personal leave will accumulate, and at severance a payment will be made to the teacher based on the current substitute teacher rate, but not to exceed \$100 per day. Only days earned per year can be used in any given year except for religious holidays. When the current year's personal days are used for Family Medical Leave, the District will designate two of three personal days. One will be designated by the employee.

- F. **Jury Duty.**
1. Leave of absence may be authorized for jury duty or under subpoena as a disinterested witness.
 2. There will be no deduction in pay for absence as described above, on the condition that any fees received for services performed during working hours shall be remitted to the Business Office.
- G. **Professional Leave.** Teachers shall obtain advance approval from the building principal for any professional meetings, visitations or conferences they plan to attend during a working day.
- H. **Sabbatical Leave.** The District may permit members of the professional staff to take sabbatical leaves for the purpose of self-improvement and benefit to the school system through study or research. A planned program of travel may be substituted for study or research during those leaves, granted at half salary.

Sabbatical leaves shall provide one-half pay and full time employee insurance benefits for a teacher if the teacher has been employed for six consecutive years in the District and agrees to return to the District for a period of three years following the sabbatical leave. If the teacher does not return to the District, he must repay the total sum; if he returns to the District for one

year only, he must repay two-thirds of the sum; if he returns to the District for two years only, he must repay one-third of the sum.

A maximum of two percent of the professional staff may be on sabbatical leave at any one time. A second year may be granted without pay. Requests shall be considered in the order they are received.

The employee shall be returned to the position he held when the leave was granted if the employee so desires. A sabbatical leave year shall be considered an experience year on the salary schedule.

I. Other Paid Leaves.

1. Absences occasioned by the inability to reach the place of employment because of flood, storm or other such acts of God [and the closure of school] shall be without loss of compensation, but may be required to be made up. Incidences that result from personal residency choice do not qualify for this provision. The District agrees to provide transportation through high water from a designated area.
2. When an employee has scheduled an approved leave day and the District closes school for a full school day for any reason (snow, hazard), the employee's day shall be credited back to the employee's total.
3. Victims of Domestic Violence shall be granted leave as stated in Oregon Law.
4. Sick Child leave may be granted under Oregon Law.
5. Other paid leaves of absence for good cause may be granted by the District.

ARTICLE 12 - UNPAID LEAVES OF ABSENCE

A. Parental Leave.

1.
