Seniors and Parents of the Class of 2020:

First, I want to say a Congratulations to the Class of 2020. I know, in these challenging times, there are many questions. I wanted to clarify any incorrect information that may have been communicated. This is the latest and most up-to-date information that we have received from the Alabama State Department of Education and the Elmore County Board of Education:

- All Seniors who are in good standing as of the end of the 3<sup>rd</sup> nine weeks will be considered as having completed his or her senior year.
- "In Good Standing" Means that they have completed all courses required for graduation successfully.
- Additionally, we will be contacting the seniors who are not in good standing and communicating with them what needs to be completed for them to graduate.
- See FAQs below.

Please contact me if you have any questions.
