Tentative Re-Open Plan

As it currently stands, schools in Mississippi will be expected to resume this fall. The SCCSD is slated to open August 6, 2020. The tentative plan will be to divide each school's student population in half. One half will report on Mondays and Wednesdays, while the other half reports on Tuesdays and Thursdays. A group of students from the 4 days will report on Fridays based on needs. While students are away from school, they will be working virtually on assignments from their on-site days. Group determinations are currently being made, with consideration of families. Parents will be notified of the specific days. More information will be forthcoming as the plan is further developed. Feel free to contact us with questions/concerns (sccsdmedia@sunflower.k12.ms.us).

Health

PLAN & PREPARE: In planning for our tentative re-opening, children will be allowed to wear cloth face masks as feasible. Additionally, children and adults will have daily forehead temperature checks and screenings daily before entering the bus (bus riders) & when arriving at school (walkers & car riders).

Summer School

Summer School has entered its second week. Zoom classes are well underway. Remember, students can log into their Zoom class OR you may get work packets from the school. For additional questions, contact the school.
