- Your child will be receiving number grades in reading, language arts, and math.
- We will have a weekly spelling and reading test.
- Reading tests are based on skills, not the story. This includes popcorn words, phonics skills, and reading skills
- There will be at least one phonics skill and one reading skill taught per week.

- Math, science, and social studies tests will be given when a topic is completed.
- Behavior is very important and taken very seriously in first grade.
- Please check your child's BEAR book every night.
 Homework and behavior will be written in it each day.

Important Information

Schoology will be the online platform we will use if school/students must go virtual. We will spend time each week showing your child how to use this platform just in case it is needed in the future.

School buses will load and unload in front of the school this year.

Car riders will load and unload in the back of the school.

For the safety of our students, parents are not allowed past the office. This means you cannot visit your child's classroom or eat lunch with them.

Important Information

We cannot microwave any food for students. Please make sure lunches/snacks do not need to be heated. Students must also be able to open/close all food items-including thermoses, bags, and containers.

Students must wear a mask on the school bus, during transition times in the hall, and anytime they cannot maintain a 6-foot distance from others.

Students can order snack, but correct change (\$2) must be in an envelope or ziplock bag with your child's name on it. We will not handle money that is unlabeled and out of a container. All envelopes/bags with money must be put in your child's money/note pouch in their Bear Book.
