Greetings # 1 Parents

One positive case of Covid-19 was identified at Janie Howard Wilson. We are working in consultation with the Florida Department of Health in Polk County (DOH-Polk) and are diligently following CDC guidelines to mitigate the spread of the virus. Those who were identified as close contact to the positive case have been instructed to self-isolate for 14 days.

All areas of the campus that were affected will be deep cleaned per CDC-recommended guidance. We are committed to making your student's learning environment as safe and healthy as possible.

We will continue following CDC guidelines to ensure the health of our school community.

Thank you for your ongoing patience as we work through these trying times.

Respectfully,

Linda J. Ray, Ed.D
