CLASSROOM NEWS

This week in Preschool we learned all about Pumpkins!! We started the week off learning about the life cycle of a pumpkin and did a shape color, count, and graph activity, then found out what is inside of a pumpkin and did a craft about that, we got to open up our large classroom pumpkin and clean it out, played "hot pumpkin" and painted shape pumpkins, and we are doing a pumpkin hunt. I think the highlight in our centers was using golf tees, a toy hammer and hammering those tees into our large pumpkin! The kids loved it and it helped strengthen their hand muscles.

This week our books are: [It's Pumpkin Day!](#), [The Life Cycle Of A Pumpkin](#), [Perfect Pumpkins](#), [Pumpkin Day](#), [Pumpkin Night](#), [The Legend Of Spookley The Square Pumpkin](#), & [Pumpkin Town](#).
