

FURLOW CHARTER SCHOOL

2020 - 2021 Parent/Guardian Authorization for Scholar to Walk

Families living in the immediate vicinity of Furlow Charter School AND whose scholars have parent permission can walk to and from school instead of being a car rider.

Once a scholar is designated as a walker, you must call the Front Office by noon if your child will not be walking on a particular day, if you plan to pick them up instead, or if they will no longer be a walker.

In the afternoon, walkers will exit through the front doors, walk down the sidewalk, and will exercise caution when using the crosswalks on campus. Kindergarten - 3rd grade scholars must have parent/guardian approval AND walk home with a responsible, older scholar.
