

Questions & Answers 6/6/19

1. Our insurance is a \$2MM max, will this be an issue?
See minimum requirements in minimum specification of the bid.
2. On page 23 it says no bid bond required, we wanted to confirm that?
No bid bond is required.
3. It states that because of space issues the bid winner will have to pickup when you have between 1-5 pallets. Can it be 8-10, if we can leave you gaylords to store the equipment and the gaylords can be double stacked?
It depends on our space in our warehouse.
4. It also mentions about a 50% deposit before pickups are made on page #9, #10, not sure how to do that if we don't know what we will be getting until we sort it. How will the value be determined before the pickups?
We will weigh the items before going out of the warehouse and use the bid pricing to determine cost.
5. Can you provide any information as to what has been picked up in the past?
All have been picked up in the past
6. What machines/devices are laser etched?
Some laptops and tablets
7. Can you provide quantities on the various equipment? iPads / iPhones
Iphones quantities are listed on the pricing sheets.
Ipad quantities are unknown

Are they Icloud free? Unknown
Are they passcode protected? Some are
Are any of the screens broken? Some are broken
8. Do you have any CRT devices? Yes
9. Please explain how the \$25,000.00 performance bond works?
If the vendor fails to comply with the Bid Requirements, the performance bond will be executed to satisfy the contract.
10. Are there parts of this contract does not apply to this bid? Please be more specific, not sure what is meant.
