Room 2209

Course Description: It is in Algebra 2 that students pull together and apply the accumulation of learning that they have from their previous courses, with content grouped into six critical areas, organized into units. They apply methods from probability and statistics to draw inferences and conclusions from data. Students expand their repertoire of functions to include quadratic (with complex solutions), polynomial, rational, and radical functions. And, finally, students bring together all of their experience with functions to create models and solve contextual problems. The Mathematical Practice Standards apply throughout each course and, together with the content standards, prescribe that students experience mathematics as a coherent, useful, and logical subject that makes use of their ability to make sense of problem situations.

More detailed information about this course can be found at:

Standards - <https://www.georgiastandards.org/Georgia-Standards/Frameworks/Algebra-II-Advanced-Algebra-Standards.pdf>

Course Overview: <https://www.georgiastandards.org/Georgia-Standards/Frameworks/Algebra-II-Advanced-Algebra-Comprehensive-Course-Overview.pdf>

Grading Policy: Per Houston County Board of Education policy, each student's average will be calculated as follows:

Major Assessments= 45%

Minor Assessments= 20%

Daily Work = 15%

Final Assessment = 20% This course includes a cumulative exam at the end of the semester.

Infinite Campus: Student grades can be easily monitored by checking Infinite Campus regularly. Parents and students have access to Infinite Campus.

Test Retake Policy: Students will have the opportunity to retake any End-of-Unit Assessment (Unit Test) given in this class over the course of the semester. Quizzes will be given throughout the course of each unit to check for understanding, although there will be NO retakes on quizzes.

Extra Help: Tutoring will be available on Monday and Wednesday afternoons until 3:30 PM.

Materials: To limit the spread of germs, sharing of community classroom supplies will not be permitted. Students must be prepared on a daily basis by bringing to class with them their own personal materials, including:

- Paper, pencils, and erasers
- 3-ring binder
- Class Assignments
- Scientific Calculator (TI-30XS MultiView recommended)

Classroom Rules:

1. Students will show RESPECT for all people and property at all times.
2. Students will be punctual. The tardy policy in the VHS Student Handbook will be followed.
3. Students will be prepared for class and ready to learn when the tardy bell rings.
4. All rules, policies and procedures in the VHS Student Handbook will be upheld.

Classroom Consequences:

1. Reminder of classroom expectations
2. Parent Contact
3. Office Referral

Bathroom Policy: Students are expected to use the restroom in between classes. Passes will not be issued during instructional time. Students are expected to be in the classroom where learning takes place.

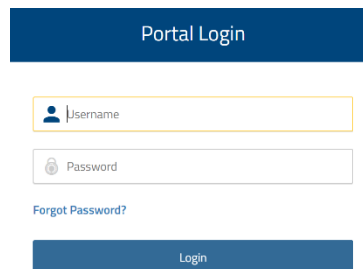

Google Classroom: To encourage blended learning, online assignments will be posted weekly through Google Classroom. At least one Google Classroom assignment per week will be graded and entered in Infinite Campus. Students should be familiar with how to navigate the online platform, communicate with their teacher, and submit assignments on time. If there are technology limitations, please notify the teacher.

Accessing Google Classroom:

Step One: Go to the county's website and click on SSO Portal.

Or, use this link: <https://portal.hcbe.net/auth/Login.aspx?ru=L3Nzby9wb3J0YWw=>

Step Two: Students should sign in *using their school/county username and password*. If you have questions on your username and password, please ask your teacher.

A screenshot of a web portal login interface. At the top is a dark blue button labeled "Portal Login". Below it are two input fields: the first is labeled "Username" with a person icon, and the second is labeled "Password" with a key icon. Below the password field is a link that says "Forgot Password?". At the bottom is a dark blue button labeled "Login".

Step Three: Students should click on the Google Classroom app.

Step Four: When students initially sign into Google Classroom, they should see several "classrooms." Simply click on "JOIN" for each class. Let's get to work! 😊
