### Principal's Message

Dear Parents,

Thank you for attending Parent Night and our monthly Community Learning Walk. I am confident that you acquired a lot of information from the teachers. The Carver Family appreciates your communication with us to help educate your child/children. As we continue on our journey to success, we ask that your child is present and ready to learn each day. It is so gratifying to work in an environment in which all stakeholders value education. I look forward to a great semester together as partners in the education of your child.

With Ram Pride,

Principal Hawkins
