Scholarship applications must be received by Rotary no later than April 15th.

Due to guidance: April 10th

I, (Name) _____, wish to be considered for a Monteagle-Sewanee Rotary Club scholarship for a graduating senior from Grundy County High School. This scholarship is for \$1,000 per year for two consecutive years at a community college or technical school program beginning in the fall following graduation. The scholarship is funded through the Monteagle-Sewanee Rotary Club annual golf tournament.

- This scholarship is only available to students who have been residents of Grundy County for at least the last full year.
- The scholarship funds will be paid into the student's account at the college where they are to attend classes and may be applied to expenses related to their attendance.
- The renewal of the scholarship for the second year requires the recipient to have carried a full class load with a C grade average or better in all courses completed.
- A condition of this scholarship is that recipients attend at least one meeting of the Monteagle-Sewanee Rotary Club during each academic year. The Club meets at 8:00 am on Thursday mornings, normally at the Sewanee Inn. The date for the scholarship recipient to attend will be arranged to fit with the academic schedule and breaks of the recipient.

In addition to this scholarship, the Monteagle-Sewanee Rotary Club has endowed a scholarship at the University of the South commonly known as Sewanee for a graduate of Grundy County High School. Applications for and awarding of this scholarship are coordinated by Sewanee. Generally, only one student may hold this scholarship at any given time, which means the scholarship is not presented every year. However, Sewanee has many other scholarships and forms of aid that are available to students from Grundy County.
