

Parents:

Due to the rising cases of COVID-19 in our state, it is with deep regret that we will postpone our open feeding sites until April 29, 2020. If we are not able to open back up on this day, we will advertise the date that we will return. We are not only concerned about the well-being of our employees, but feel that it is necessary to protect the health of the public.

If you find yourself in dire need of meals for your child(ren) during the two weeks of the closure, please contact Prattville Intermediate, Pine Level Elementary, Billingsley or Autaugaville. The school will take your information and attempt to provide a meal for your children. The school will give you a specific time and location that you will need to pick up the food.

Please understand that your child's health is of great concern to the Autauga County School System, and again, this is a decision to help protect everyone that is part of the process.

We pray that you and your family remain safe and well, and look forward to seeing all the smiling faces on the 29th.
