Course Description

Criminal Justice I is the second course in Law Enforcement Services and the Legal and Correctional Services programs of study. It serves as a comprehensive survey of how the law enforcement, legal, and correctional systems interact with each other in the United States. In this course will study the History of Law Enforcement and the its historical tends. Upon completion of this course, proficient students will understand the context of local, state, and federal laws, have investigative skills pertaining to basic crime scenes and incident documentation, and understand the importance of communications and professionalism in law enforcement. Standards in this course are aligned with Tennessee State Standards for English Language Arts & Literacy in Technical Subjects.*
