Policies

--- Course syllabus | Fall 2019 ---

Late/make-up work policy

It is the student's responsibility to copy any missed notes from another student.

Any missed assignments will be 0s in the computer until the student turns them in.

Make up tests will be given before or after school. Not during class time.

Academic dishonesty

All work that you submit must be your own work. You may not do any of the following:

- 1) Turn in or copy someone else's work.
- 2) Do someone else's work for them.
- 3) Logging into someone else's A/L account and doing their A/L's.

If you are doing any of the above or anything else that constitutes cheating, you will receive a zero on that assignment, and you will be referred for discipline.

Cellphones

No cellphones, unless I have given you permission.

If you are on your phone during class time, it will be taken up and given to the office. **There will be no warnings.**
Other policies

- No eating or drinking during class
- Please raise your hand to speak.
- Do not interrupt valuable instruction to ask to go to the bathroom. Please wait for an appropriate time. You will be given hall passes at the beginning of the semester. You **MAY NOT** use someone else's hall passes. After your passes are used, you must come in for break detention if you need to go somewhere.
- Come prepared to class with your materials and a positive attitude.
- Arrive on time. If you are late, I will mark you tardy. 3 Tardies = 1 absence.
- Be respectful to everyone.
- Clean up after yourself.
- All homework must be neat and ready to turn in at the beginning of class. You must show your work in order to receive credit for the assignment. Homework will be graded on *completion*.
