Thank you!

On behalf of the Ruleville Middle School Chapter of the National Junior Beta Club, we would like to thank you for attending our 2017 Induction Ceremony.

The National Junior Beta Club is a non-profit organization that promotes the ideals of academic achievement, character, service, and leadership. Students who have shown exemplary academic record, dedication to serving their communities, and strong leadership potential were asked to apply for membership. Those students received recommendations from teachers and wrote a personal statement to express their interest in Beta Club membership.

The Ruleville Middle School Chapter of the National Junior Beta Club will focus on leadership development opportunities, service to the Ruleville community, and continued academic achievement as future leaders prepared to compete in the global economy.

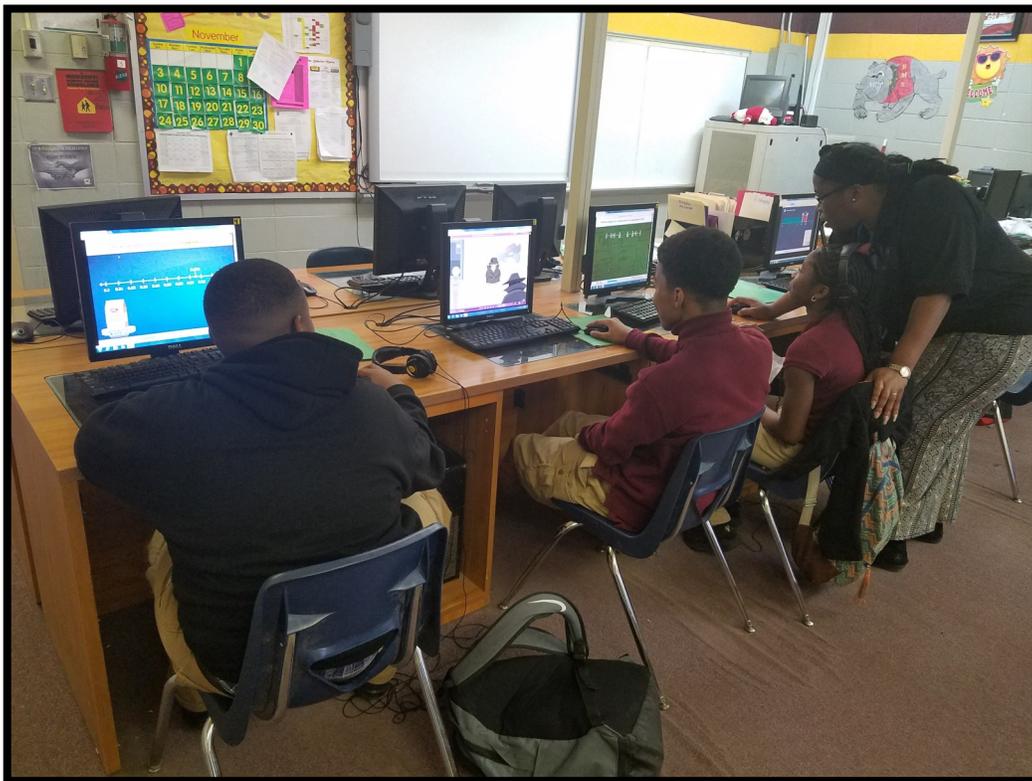

Bulldog Academy

BAAE (Bulldog Academy Afterschool Enrichment) is an opportunity for low performing students to improve and show growth on all assessments. Students will be provided with more face to face opportunities for students and teachers. The students will participate in leveled activities and engaging experiences which will help them to improve academically. One hour of intense academic enrichment will be provided on Monday and Tuesday of each week afterschool.
