### **HAWKINS COUNTY SCHOOLS AND GAGGLE PARTNER TO IMPLEMENT SAFETY MANAGEMENT FOR G SUITE**

Hawkins County Schools and Gaggle today announced a partnership to keep Hawkins County students safe when they use G Suite for Education from Google. Hawkins County will use Gaggle Safety Management for G Suite to further promote student and educator productivity in a safe and controlled environment.

Gaggle Safety Management combines technology with expert Safety Representatives, who review content 24/7 to assure students are safe. Gaggle identifies inappropriate words and images in Gmail, Google Drive, Google Docs and more. Trained professionals then apply consistent, school- or district-approved policies for positive intervention, alerting school officials if there is an imminent threat to a student.

Gaggle has been providing safe online learning products and solutions to the K-12 market since 1999. The company's focus remains on student safety so educators can have the confidence to allow learners to take advantage of current technology for communication, collaboration, and learning.
