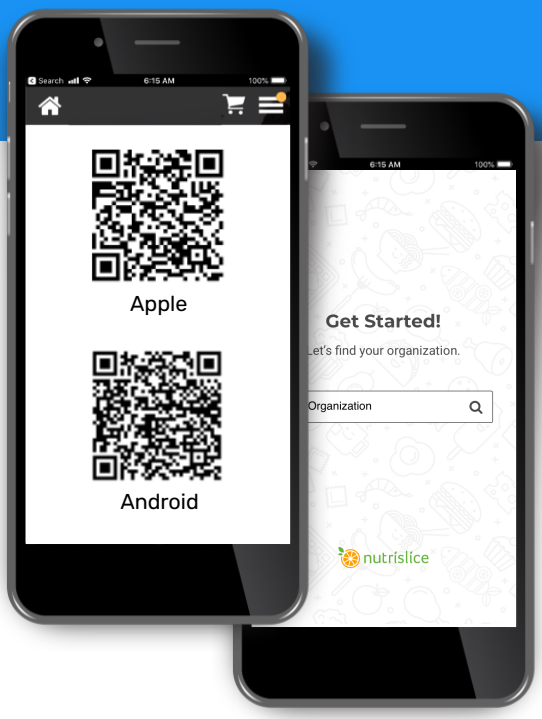
ALL meals need to be ordered in advance.
You can order up to 14 days in advance.

Placing an Order

This year, students will receive ROOM SERVICE for meals. The Nutrislice ordering app makes ordering easy and ensures you and/or your children eat exactly what you'd like. Simply place an order then meals will be delivered to the classroom!

You will need to know the name of the teacher your child will be eating breakfast with and the name of the teacher your child will be eating lunch with. This will ensure meals are delivered to the correct location.



1. Download the App

Or go to lookup.nutrislice.com on a browser.

2. Select your location

The system will return results after you enter the first four characters of your district name.
