

## WEEK 2:

During this club time, we discussed our Spring Break Plans. Then, we talked about what an “Acrostic Poem” is. We did an example with the word SPRING. Then, we did our own acrostic poem with the word “Kindness.” We had the chance to color those as well. Lastly, I gave each club member a “Kindness Journal” to keep in their GREEN Kindness Club Folders. This is to keep track of all of the acts of kindness you do at school from then out. Since we are all home now, you may start counting all of the acts of kindness you do AT HOME.
