

**WELCOME**

To Mrs. Kendrick's Resource Class

Melanie Kendrick

Special Education Resource Teacher  
Grades K-3

# EDUCATION:

BS: Elementary Education

MS: Collaborative Teacher K-6

This is my 22<sup>nd</sup> year as a public school teacher. The first 3 years, I taught 3<sup>rd</sup> grade and the remaining 19 years, I have been a special education teacher. This is my 2<sup>nd</sup> year with Autauga County and I'm excited to return to Billingsley for the 2020-2021 school term.

# THE RESOURCE CLASSROOM

Although this year brings unique challenges because of the Covid-19 pandemic the basic structure of the school day remains the same with respect to Special Education Resource services. Each student's IEP will be followed as written. Students who are being taught on campus will continue to come to the resource room for services.

We have specific curriculums for reading and math, will work on individual IEP goals and I will assist each student with difficulties they may be having in the general education classroom for both on campus and virtual students.

Virtual students will be served via Schoology for the amount of time as written in their IEP. Other means of delivering instruction and communication may also be used such as Remind and Class Dojo apps, texts, emails, phone calls and more.

# C.L.A.W.

Discipline at Billingsley School revolves around the C.L.A.W. model:

- *Come Prepared*
- *Listen and Attend*
- *Act Respectfully*
- *Work Hard*

These principles will be observed in the Resource Classroom.
