

What is a School-Parent Compact?
A school-parent compact is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards. At CBWPS during all parent-teacher conferences the compact will be reviewed.

Jointly Developed

The parents, students and staff of CB Watson Primary School developed this School-Parent Compact. Teachers suggested learning at home strategies and parents added ideas about things they specifically needed and students shared what support they needed. Shared Decision Making Meetings are held each spring to review the compact and make changes based on student needs.

Parents are welcome to contribute comments at any time.

Parent and Family Engagement Coordinator

Monique Brown is our Parent and Family Engagement Coordinator. She is available M-F from 8:30am to 4pm at 478-929-6360. Also, check out our virtual Parent Resource Center for resources, books and other information.

Building Partnerships

CBWPS will provide a number of school-family collaboration opportunities throughout the year. Please join us for:

- Math & Literacy Tutorials
- Virtual Charmed Readers
- Digital Learning Exploration
- Virtual Mat Detectives

Communication Links

CBWPS is committed to frequent two-way communication with families about their child's learning. Some ways you can expect us to reach you are:

- Report Cards are sent home every 9 weeks.
- Parent – Teacher Conferences can be scheduled throughout the year if the need arises.
- School Messenger, Flyers, Email & DOJO

Access to Staff

Email, call or stop by in the office to schedule an appointment with your child's teacher.

Parent and Family Engagement

Coordinator is available Monday thru Friday, 8:30AM- 4PM.

Volunteering Opportunities

We welcome CBWPS Parents to Volunteer! A background check is required. Assisting in the Media Center and chaperoning events are a few ways to volunteer. Stop by or call for more information.

School-Parent Compact

C. B. Watson Primary

2nd Grade

2020-2021

Revised 8/11/2020

Houston County System Goals

- Increase the value of the College and Career Ready Performance Index by 3% by focusing on literacy, high quality standards based instruction Multi-Tier System of Supports.
- Increase the percentage of parents who feel their child's school provides various opportunities for engagement.

CBWPS School Goals

- Increase percentage of students reading on grade level or above by 5% by May 2021.
- Increase Percentage of students mastering math standards at each grade level by May 2021.

2nd Grade Focus Areas

- Reading Comprehension (deeper thinking)
- Place Value (making a ten)
- Fluently adding & subtracting within 20.

CBWPS will:

- Encourage parents to engage in Literacy Tutorials and teach parents questioning strategies that match what the student is reading. Parents can then guide their student's thinking and check comprehension.
- Encourage parents to engage in virtual "Look Who's Reading" to learn ways to help their students make inferences and how to think deeper when reading.
- Math Tutorials for parents focusing on placing value.
- Provide virtual "Math Detectives" to provide math "take home" learning sheets/ news letters to help the parents better understand current strategies.
- Provide Reading at Home Activities for comprehension practice.

CBWPS parents will:

- Engage in Literacy Tutorials and learn reading strategies for comprehension and fluency.
- Engage in virtual "Look Who's Reading" to learn reading strategies for inferencing and deeper thinking.
- Engage in Math Tutorials to learn problem solving strategies that can be used at home to help their child.
- Engage in virtual "Math Detectives" to learn and understand current strategies in math.
- Complete Reading at Home Activities with your student and return the packet to school.

CBWPS students will:

- Practice reading at home and answering questions to help increase comprehension.
- Read aloud to family members to increase fluency.
- Use math strategies taught to complete homework.
- Practice place value and math facts at home.
- Complete and return Reading Activities.
