2006-2007 / 2007-2008 School Calendars

Regular Session  
October 17, 2005

Dr. Russ Gobble, Executive Director of Auxiliary Services, presented two drafts of the 2006-2007 Calendar and one draft of the 2007-2008 Calendar for review. Dr. Gobble explained that with the new legislation requiring school not to begin before August 25 and to end by June 10 and with guidelines also approved by the legislature on holidays and workdays to be included in the calendar, there is not much room for creativity in designing a school calendar. Policies will be available to faculty and staff members of schools in the system and to parents and citizens for review and comment.

Dr. Gobble informed the Board that he had hoped to have a "no idling" policy for buses for their consideration, but was unable to get a draft ready for their review by meeting time. This policy is needed to insure fuel conservation. A draft of the policy should be available for the November meeting of the Board.

Technology Plan

Director of Media and Technology Nan York presented the 2005-2009 Technology Plan. B. Coltrane made a motion seconded by P. Guthrie that the technology plan be approved as presented. The motion carried: 7-0.

Personnel Report

Executive Director Amy Cagle presented the Personnel Report. P. Guthrie made a motion seconded by G. Lawson that the Board approve the Personnel Report as presented. The motion carried: 7-0. The report as approved by the Board is as follows:
