Click on the blue highlighted links.

Hello, Families,

As the number of COVID cases remains low in our part of the State I am happily and busily planning for the full reopening of school as required. For us to prepare as a school and community I am offering the following links to documents you can read and inviting you to an online community meeting. Our plan includes two alternate educational scenarios that will be important for you to understand in the case of a surge of COVID cases.

[Region 1 Reopening Plan: Fall 2020](#) - The Board of Education approved the Region 1 Reopening Plan this week. It will be sent to the State on Friday. I am now working on the components that will need to be further explained for our school.

- On Tuesday, August 4, at 6:30 PM I will hold a live Google Meet with Lisa Carter, Interim Superintendent, and Erin Drislane, Board of Education Chair. I will be discussing specifics regarding our school. [Click here on August 4 to attend the meeting.](#) I look forward to talking with you on the 4th so that we can plan and work together for success.
- You can also call into the meeting: 1 347-309-6260 PIN: 464 897 275#
- If you have any specific questions you would like me to address at this meeting, please send them to me in advance at aroy@nceschool.org. It is important to me that all of your questions are answered and concerns addressed.

[Revised 2020-2021 Calendar](#) - The Board also approved a revised calendar. Please note that the first day of school is now Tuesday, September 8, and will be an early dismissal. The last day of school has not changed, but school will be in session on Monday, April 5.

You can always reach me at aroy@nceschool.org.

Stay Safe and Well,

Dr. Roy
