

Call Out for March 19

This is Richard Dennis, Superintendent of Elmore County Public Schools.

As the week ends 10 employees and 7 students reported testing positive for COVID-19. Continue to take precautions over spring break and keep Elmore County in the green health zone.

Be reminded that April 2 is a teacher in-service day and students will observe an E-learning day.

If you wish to get call outs and other system-wide communications texted to you through Remind, visit the Elmore County Public Schools website and follow the registration process.

Thank you for your support, have a great spring break!

*Every Student Empowered, Every Student Succeeds.*

Richard Dennis
