

Fifth Grade Newsletter

October 21-25, 2019

<p>Reading</p>  <p>Mrs. Patterson Mr. Nejus (5A)</p>	<p>We began our new novel <i>Hatchet</i> on Friday. This novel is used as a warm-up for Camp Fitch. This is a book about survival. It is the story of Brian Robeson, a 13 year old boy who is in an accident and must figure out how to survive. New vocabulary words went home last week. Please study! Spelling words will be r-controlled words. Homework will be Monday and Tuesday night. We will continue Theme as our skill for 1 more week. Questions or comments: dana.patterson@southern.k12.oh.us Phone number: 330-679-2343 Ext. 4083 Standards: RF.5.3, RF.5.4 (a,b,c), RL.5.1, SL.5.1 (a,b,c,d),</p>
<p>Math</p>  <p>Mrs. Scheel Mr. Nejus</p>	<p>This week students will be focusing on decimal place value, reading, writing, and comparing decimals. On Tuesday, we will complete a quiz on reading decimal numbers. On Thursday, we will complete a quiz on writing numbers in expanded form. We will also work in math workshop, practicing multiplication facts, number of the day activities, weekly work focused on place value review, and challenge activities that are based on student scores and abilities as shown on the STAR math assessment.</p> <p>Homework: Monday - Decimal Number Matching; Wednesday - Expanded Form Standards: NBT.3; NBT.4 Questions or comments: tiffany.scheel@southern.k12.oh.us Phone Number: 330-679-2343 Extension 4084</p>
<p>Science</p> <p>Ms. Marquis Mr. Nejus</p> 	<p>This week the students will finish learning about sound energy. The students will be conducting experiments to produce sound by vibrating objects, change the pitch of the sound as it relates to the rate of vibration and explore how sound travels through different mediums. They will finish this part of the unit by taking a sound energy test either Wednesday or Thursday.</p> <p>Standards: 5.PS.2 - Light travels and maintains its direction until it interacts with an object or moves from one medium to another and then it can be reflected or absorbed. Sound is produced by vibrating objects and requires a medium through which to travel. The rate of vibration is related to the pitch of sound.</p> <p>Questions or Comments: karen.marquis@southern.k12.oh.us Phone no. 330-679-2301 ext 4090.</p>
<p>Social Studies Mrs. Sakely Mr. Nejus</p>	<p>Students will not have Social Studies until the 3rd and 4th nine weeks of the school year.</p>
<p>Reminders</p>	<ul style="list-style-type: none"> • End of the 1st Nine Weeks: October 25
