Hello Parents,

You have made a lot of progress this week by adapting to a very different daily schedule. I have recorded grades for assignments sent to me. Please concentrate on the three Independent Learning packets, (four if you still have packet #3). Then you can work on the other packet items next week. Keep practicing speeches, and recorder songs. Mr. Winger's activities are an important part of keeping healthy.

Teachers met this morning to discuss how to keep connected with all of you. Mr. Guess is organizing an exchange system for Friday, March 27. We will send a new packet of work, probably by bus, that will be due on April Fourth. At the same time your student's completed packet will be picked up. Mr. Guess will set up a time for you to meet the bus and make the exchange.

Older siblings are already communicating through Google Meet. We hope to begin doing that next week for Oak students as well. We would like to listen to your Bible verses, and I want to keep reading Pagoo to the class.

Parents, be sure to read to and with your student each day. Reading is vital to everyone's future success.

Thanks for being great parents!
