

Mr. Brownlow and School Board, 1/26/2020

After much thought I have decided to take advantage of the early retirement option the school has offered to its employees. I would like to retire from my job as Physical Education Teacher on August 29, 2020.

I propose under the early retirement incentive plan that I receive \$8300 each year. I would like it to be used for the Schools Health Insurance, and the rest for an FSA account from the school district till I'm 65 years old, which is through 2027.

Thank you!

Mr. Tim Seaton
