

## News from Ms. Tessa's Classroom

September 10, 2020

### SCHOOL PICTURE DAY

Friday, September 18th is school picture day. Even if your child does not attend on Fridays, you can bring them that morning and either wait outside or come back and get them after their picture is done. Once I know a time when we will get ours done I can give you a better time to have your child here and about how long it should take.

### CLASSROOM NEWS

This week in Preschool our theme is My 5 Senses. Our topic next week will be a continuation of our senses. Tuesday we learned what our 5 senses are, Wednesday we focused only on our sense of sight, Thursday was all about hearing, and Friday's all about taste. This week our books are: Your Five Senses, You See With Your Eyes, You Hear With Your Ears, & You Taste With Your Tongue.

In our Sensory Table this week I kept the newspapers there and the kids got to tear the paper. This will also help strengthen their fine motor to get us ready for using scissors! It's always helpful to work on these skills at home also!

**REMINDERS:** Bring 2-3 cut out pictures for the color of the week! Washed nap items come back on your child's first attendance day of the week. Washed water bottles with water come back every day!

"The beautiful thing about learning is that no one can take it away from you."
