## ATTENDANCE

### ATTENDANCE POLICY

It is the belief of the Lanett City Board of Education that regular school attendance is important to all students and to the school system. It is further believed that course content and grading procedures should be structured in a fashion that regular attendance is necessary in order to complete course requirements successfully.

After an absence from school, the student must submit a note/excuse to the office within five (5) days of the student's return to school. Notes from the parent or guardian should state the specific reason for the absence and be signed by the parent or guardian. If the absence was due to a doctor's visit, court appearance, or other verifiable means deemed acceptable by administration, a professional excuse should be submitted to the office. Failure to bring a note/excuse results in an unexcused absence. If a student is present at school for half of the day or more, they will be counted as present for the day. If a student is to be absent from school for more than two consecutive days, we ask that the parents notify the school secretary. Following an absence, parents are encouraged to call the school to verify that their child has turned in an excuse for their absence.

It should be recognized that the teachers are not required or expected to teach classes which students have missed. Make-up work shall be arranged and completed by the student within a five (5) school day period upon returning to school after an absence. In the case of extended absence, the individual teacher may adjust the five-day rule as necessary. Make-up work will be allowed for truancy and or disciplinary suspension. If the student fails to make arrangements with the teacher as outlined above, make-up work will not be granted. It is the student's responsibility to make arrangements with his or her teacher(s).

Consequences for unexcused absences will be issued as outlined in the ATTENDANCE Section of the District Handbook. Refer to the District Handbook for additional information regarding absences to school.

### 10 DAY ABSENCE POLICY (STRICTLY ENFORCED)

High school students taking semester courses may have a maximum of ten (10) absences during the semester. Absences over ten (10) days will be excused only with a professional note. Any absences above this number may result in failure of the course/loss of credit. Only the board and/or superintendent may waive these standards. STUDENTS WHO HAVE UNEXCUSED ABSENCES ON THEIR RECORDS RESULTING FROM SKIPPING CLASS, JOBS, VACATIONS, SUSPENSION, ETC., WILL NOT BE CONSIDERED FOR A WAIVER.

A student who is absent from school for any length of time, even for part of a day will be required to bring a professional note or note from a parent or guardian explaining the absence upon returning to school. The student must obtain a pass after an absence that identifies the dates absent and the excused/unexcused status. Students that fail to bring an excuse should get an unexcused pass from the office. The student should present this pass to each of his/her teachers at the beginning of each class. All excuse passes should be obtained before the start of school/prior to the tardy bell on the day of return.

## **TARDIES**

Students that are tardy to school for any reason, must report directly to the main office and a tardy slip will be issued to the student. Tardies for semester test exemption purposes will not start over each nine weeks as attendance and tardies are cumulative for the semester. Tardies to each class will be handled by the individual classroom teachers.

Consequences for unexcused tardies will be issued as outlined in the ATTENDANCE Section of the District Handbook. Refer to the District Handbook for additional information regarding tardies to school.

## **CHECK OUTS**

Leaving school during the school day is discouraged. In the event a pupil needs to be checked out of school, a parent, guardian, or authorized person, must come to the main office and sign him/her out. Upon returning to school, your pupil must enter through the main office doors and he/she must be signed in by an office staff person. Only the parent/guardian, emergency contact (s), or persons listed on the checkout authorization form will be allowed to check out a student. If that information is not on file for the current school year, only the parent/guardians found in the students file will be allowed to pick them up. There will be absolutely NO checkouts by note or phone allowed. Refer to the District Handbook for additional information regarding checkouts.

A student is allowed **3** checkouts per semester without penalty.

- Any student who checks out 4 or more times will need an excuse from a professional. (Doctor, dentist, counselor, etc.)
- Students who check out the 4th time without a professional excuse will be given 1 day detention.
- Students who check out the 5th time without professional excuse will be given 2 days detention.
- Students who check out the 6th time without a professional excuse will be referred into the attendance Early Warning system (a petition will be filed against the parent(s)/guardian).
- All students who check out after the 3rd time and do not have a professional excuse will get a zero in the class work they miss.

# Uniform and Appearance

## DRESS CODE

LANETT CITY BOARD OF EDUCATION  
Adopted: May 11, 2009 Amended: Sept. 14,  
2009

### School Uniform and Appearance Policy

## SCHOOL UNIFORM AND APPEARANCE POLICY

### I. Purpose

The Lanett City Board of Education believes a safe and disciplined learning environment is the first requirement of a high performing school. The implementation of school uniforms will help minimize disruptive behavior, promote respect for oneself and others, build school/community spirit, and, more significantly, help to maintain high academic standards. The board also feels that the wearing of uniforms by students will help lessen the impact of socioeconomic differences. In addition, it allows for immediate identification of intruders on campus and encourages students to concentrate on learning rather than on what they are wearing.

### II. Implementation Process

Students will be required to start wearing uniforms at the beginning of the 2009-2010 school year.

### III. Information Dissemination

School officials will communicate with parents/guardians concerning the uniform policy, including general guidelines for implementation, by using one or more of the following: newsletters, parent forums, PTO meetings, TV and radio announcements, flyers and web site.

### IV. Appearance

In addition to being required to wear school uniforms, all students are to be well-groomed and dressed appropriately for school and school activities. A student's dress and/or appearance shall:

1. Support, not disrupt, the learning environment
2. Constitute no threat to health or safety
3. Be tasteful and unable to be construed as provocative or obscene
4. Reflect practices of good hygiene and cleanliness

Reasonable consideration shall be made for those students who, because of a sincerely held religious belief or medical reason, request a waiver of a particular guideline for dress or appearance. The waiver request shall be in writing from the parent or guardian and approved by the principal, principal's designee or a committee selected by the principal, on an annual basis. In considering a waiver request, the principal, principal's designee or committee members have the right to request additional documentation from medical officials and/or religious leaders.

Reasonable accommodation shall be made by the principal for students involved in special duties, activities, or projects approved by the school. This would include but not be limited to athletics, P.E. classes, special events, and other activities that require non-conforming dress on a school campus during a school-sponsored event.

### V. School Uniform

The principal and/or principal's designee will implement the school uniform and appearance policy in a manner that is age and developmentally appropriate. Good judgment in considering issues such as age, developmental stages, and body type are expected of all students, parents, and guardians in the selection of school attire and appearance. School uniforms must be kept neat, clean and properly fitted.
