Registration: In order to be enrolled in the SCCSD for the 2020-2021 school year, all students (virtual, hybrid or traditional) must be registered. **The extended registration deadline is August 31st by 4pm to start classes on September 8th. Unregistered students will not be enrolled until online registration is complete.** Late registration will begin on September 10th by appointment. Please contact your child's school to find out more specific information regarding registration. *Homeschool and virtual learning are not the same thing.* Homeschooling requires ***withdrawing*** from your child's school and the school district and enrolling in an approved homeschool program at the parent's expense. Virtual learning is a component of the school district and the public education that it provides. Homeschooled students are not entitled to receive the technology that is being offered by the district. Students must be registered with the SCCSD in order to receive the technology.
